

Glory Movie Questions

1. How does the attitude of Colonel Robert Gould Shaw toward African-Americans change and why?

Colonel Shaw's attitude toward African-Americans changes over the course of the movie. At first, he is a white supremacist who believes that African-Americans are inferior to white people. However, as he spends more time with the 54th Massachusetts Infantry, he begins to see them as individuals and not just as a race. This change in attitude is what allows him to lead them into battle.

2. What differences exist among the black soldiers who make up the 54th Massachusetts Infantry? What does this tell you about the different experiences of blacks in 19th-century America? Think about their regions of origin, former status (enslaved), and educational background.

The 54th Massachusetts Infantry was a mix of people from different backgrounds. Some were former slaves, while others were free-born. This reflects the diversity of the African-American population in the North at the time.

3. What attitudes did white soldiers have about the 54th? Did these attitudes change and why?

At first, the white soldiers in the 54th looked down on the African-American soldiers. They thought they were lazy and uneducated. However, as they spent more time with them, they began to see them as brave and capable soldiers.

4. Were blacks treated equally to whites in the Union army? Explain.

No, blacks were not treated equally to whites in the Union army. They were paid less than white soldiers and were often given the most dangerous and difficult jobs. However, their bravery in battle helped to change public opinion about African-Americans.

5. What is significant about Colonel Shaw's decision to refuse pay for himself?

Colonel Shaw's decision to refuse pay for himself was significant because it showed that he was willing to sacrifice for his men. It also showed that he was not interested in money or power, but only in doing what was right.

6. Did that incident end as you expected? What feelings or thoughts come over you last night?

The incident ended as I expected. Colonel Shaw's decision to refuse pay for himself was a brave and noble act. It showed that he was willing to sacrifice for his men and for the cause of freedom. This incident is a powerful reminder of the sacrifices that were made during the Civil War.

The dilemma of early Christology Kaiser observes is found in the early Christian claims to have seen the Lord and beheld his glory expressions that in early Judaism would have pointed unequivocally to visions of Israel s God The shift of those claims onto the figure of Jesus is usually explained either as a result of the resurrection of Jesus presumed as a historical event or on the influence of pagan polytheism Kaiser examines the phenomenon of kyriocentric visions in Second Temple Judaism asking whether such traditions are sufficient to account for the shape of early claims regarding the divinity of Christ **The Superpowers and the Glory** Joe George,2023-03-06 Christians love superhero movies just like everybody else But should they How do the themes in the world s most popular movies relate to Christ s teachings How do believers reconcile superhero violence with Jesus s message of peace How does the Sermon on the Mount relate to superhero power fantasies The Superpowers and the Glory helps readers answer those questions by teaching them how to identify the themes in superhero movies and examine them through Christian theology With deep dives into nearly every superhero movie ever released the book trains readers in understanding the worldviews behind movies such as Iron Man Spider Man and Wonder Woman Each chapter includes discussion questions perfect for small groups Sunday school classes or personal inquiry From Marvel hits like Black Panther and The Avengers to DC blockbusters Batman and Justice League to indie characters Hellboy and Teenage Mutant Ninja Turtles The Superpowers and the Glory is an easy to read guide to using superhero movies to strengthen your relationship with Christ **Teaching History with Film** Alan S. became And the more questions she had about what actually happened to them the more her opinion of them evolved Part memoir and part confessional and told with the wit and honesty that are hallmarks of Klam s books The Almost Legendary Morris Sisters is the fascinating and funny true story of one writer s journey into her family s past the truths she brings to light and what she learns about herself along the way
