Gnosis And Faith In Early Christianity An Introduction To Gnosticism:

Gnosis and Faith in Early Christianity Riemer Roukema, 1999 This text provides an up to date introduction to Gnosticism as it relates to early Christianity The author tries to make the reader familiar with the themes and ingredients of Gnosticism without going directly into where they come from Part 1 provides general orientation Part 2 explores the religious and philosophical background Part 3 contains a more detailed discussion of Gnosticism and Gnostics Part 4 examines the relationship between Catholic Christianity and Gnosticism *Nag Hammadi, Gnosticism, and Early Christianity* Charles W. Hedrick, Robert Hodgson, 2005-10-17 This book acquaints the beginner with the topic of gnosticism and early Christianity and presents to the specialist some of the new frontiers their colleagues are exploring For the beginner there is a concise introduction to gnosticism It covers the issues of origin literature leading ideas and possible links with early Christianity Each contributor has prepared a preface to his or her paper that points to its salient features and explains how the essay fits into the overall subject of the book from the Preface **The Gnostics** David Brakke, 2011 Brakke writes a pioneering study of the way the demon role relates to religious thinking and to cultural anxieties The author s sources include biographies of exceptional monks collections of monastic sayings and stories letters from ascetic teachers to their disciples sermons community rules and biblical commentaries When monks imagined the resistance that they had to overcome in cultivating their selves or the temptation that offered an easier path they saw supernatural beings that could take the shapes of animals women boys and false angels in their attempts to seduce monks away from their devotion to God And when they considered the inclinations in their own selves that opposed their best intentions they concluded that demons introduced such problematic thoughts to their minds Although the last twenty years has seen an explosion of scholarship on early Christian asceticism producing brilliant explorations of the body sexual renunciation fasting and gender combat with demons has been left relatively unexplored **The Lost Gospel of Judas** Stanley E. Porter, Gordon Heath, 2007-02-23 Porter and Heath consider recent textual finds and examine the discovery content and authenticity of the gospel They also delve into the relationship this new gospel has with the New Testament canon **Backgrounds of Early Christianity** Everett Ferguson, 2003 New to this expanded updated edition are revisions of Ferguson s original material updated bibliographies a fresh discussion of first century social life the Dead Sea Scrolls much else *Orthodoxy and Heresy in Early Christian Contexts* Paul A. Hartog, 2015-01-30 Eighty years ago Walter Bauer promulgated a bold and provocative thesis about early Christianity He argued that many forms of Christianity started the race but one competitor pushed aside the others until this powerful orthodox version won the day The victors re wrote history marginalizing all other perspectives and silencing their voices even though the alternatives possessed equal right to the title of normative Christianity Bauer s influence still casts a long shadow on early Christian scholarship Were heretical movements the original forms of Christianity Did the heretics outnumber the orthodox Did orthodox heresiologists accurately portray their opponents And more fundamentally how can

one make any objective distinction between heresy and orthodoxy Is such labeling merely the product of socially situated power Did numerous valid forms of Christianity exist without any validating norms of Christianity This collection of essays each written by a relevant authority tackles such questions with scholarly acumen and careful attention to historical cultural geographical and socio rhetorical detail Although recognizing the importance of Bauer s critical insights innovative methodologies and fruitful suggestions the contributors expose numerous claims of the Bauer thesis in both original and recent manifestations that fall short of the historical evidence With contributions from Rodney Decker Carl Smith William Varner Rex Butler Bryan Litfin Brian Shelton David Alexander Edward Smither Glen Thompson **The Zondervan**

Encyclopedia of the Bible, Volume 2 Zondervan,2010-08-10 Revised edition Volume 2 of 5 The Zondervan Encyclopedia of the Bible has been a classic Bible study resource for more than thirty years Now thoroughly revised this new five volume edition provides up to date entries based on the latest scholarship Beautiful full color pictures supplement the text which includes new articles in addition to thorough updates and improvements of existing topics Different viewpoints of scholarship permit a wellrounded perspective on significant issues relating to doctrines themes and biblical interpretation The goal remains the same to provide pastors teachers students and devoted Bible readers a comprehensive and reliable library of information More than 5 000 pages of vital information on Bible lands and people More than 7 500 articles alphabetically arranged for easy reference Hundreds of full color and black and white illustrations charts and graphs 32 pages of full color maps and hundreds of black and white outline maps for ready reference Scholarly articles ranging across the entire spectrum of theological and biblical topics backed by the most current body of archaeological research 238 contributors from around the world **An Introduction to Christian Theology** Richard J. Plantinga,Thomas R. Thompson,Matthew D.

Lundberg,2022-11-03 Far from being solely an academic enterprise the practice of theology can pique the interest of anyone who wonders about the meaning of life This introduction to Christian theology exploring its basic concepts confessional content and history emphasizes the relevance of the key convictions of Christian faith to the challenges of today s world Part I introduces the project of Christian theology and sketches the critical context that confronts Christian thought and practice today Part II offers a survey of the key doctrinal themes of Christian theology including revelation the triune God and the world as creation identifying their biblical basis and the highlights of their historical development before giving a systematic evaluation of each theme Part III provides an overview of Christian theology from the early church to the present Thoroughly revised and updated the second edition of An Introduction to Christian Theology includes a range of new visual and pedagogical features including images diagrams tables and more than eighty text boxes which call attention to special emphases observations and applications to help deepen student engagement **What is Gnosticism?** Karen L. King,2003 A study of gnosticism examines the various ways early Christians strove to define themselves in a pluralistic Roman society while questioning the traditional ideas of heresy and orthodoxy that have previously influenced historians **Gnostic**

Religion in Antiquity R. van den Broek, 2013-01-24 An examination of Gnostic religion in Late Antiquity within its historical and religious context using Greek Latin and Coptic sources **Alternative Christianities Volume I** Vince Nicola, 2014-02-17 Alternative Christianities is a series of books articles and lectures This is only Volume I which introduces the many ancient Christian sects that were ostracized and had their Sacred Scriptures what they were taught by one Jesus direct Disciples not only left out of the New Testament but also suppressed banned and destroyed in the early centuries of Christianity by the emerging universal catholic Christian Church Vince Nicolas is a historian not a theologian Vince is a teacher not a preacher Vince extensively researched this subject from the works of the best university religious studies professors in the United States Additionally in compiling his treatise Vince learned how the New Testament besides more Sacred Scriptures were consciously being left out than included many of the texts that were included had been repeatedly changed either accidentally or intentionally to suit the emerging Christian church and their preferred Christian teachings then to accommodate the numerous and compounded Protestant Reformations Consequently today there is not ONE Christian Bible or ONE Christian religion but dozens of versions of the Christian Bible and thousands of iterations of Christian religions denominations sects and cults Christianity is a hodgepodge disaster as viewed by outsiders A 20th century discovery of these discarded ancient texts brought them back to light More amazing are the differences from the traditional Christianity being taught and followed today This made many of todays Biblical scholars theologians and university professors question whether we all have been led down the wrong Christian path for the past 2 000 years In fact these ancient discarded Alternative Christianities even make more sense in todays world and brings Christianity back to being a religion of Good News Maybe these recent discoveries were a Divine intervention to adjust Christianity back onto its right path the real path that was intended by Jesus Christ Maybe people now can have a fresh and refreshing new look at Christianity Volume I is guaranteed to pique your interest get you hooked and make you want to go more in depth in Volumes II and III This treatise is not only very enlightening and educational for Christians but also for our intertwined Abrahamic descendant Judaism and Islam relatives This is an ecumenical book it is not meant to convert anyone promote any religion or disseminate anyones beliefs This series is a MUST READ for any serious theology or religious studies student to have a complete comprehension of the Bible and Christianity especially if they are going to teach or preach it intelligently and correctly or just for your own education WARNING This series will ruffle many feathers among the ultra conservative and closed minded communities and promises to be very controversial GET YOUR CORRECT FACTS HERE **An Introduction to the Gospels and Acts** Charles B. Puskas, David Crump, 2008-07-15 Leading students through the texts highlighting the various literary devices and themes and pointing out the historical and cultural contexts An Introduction to the Gospels and Acts is a fruitful collaboration between a mainline scholar Puskas and a more evangelical scholar Crump who clearly articulate their own opinions while charitably engaging a wide spectrum of scholarship The coverage of the Gospels and Acts

throughout is clear comprehensive and well documented Maps charts outlines and tables round out the wealth of information offered here Publisher **An Introduction to the New Testament, Second Edition** Charles B. Puskas, C. Michael Robbins, 2011-06-16 Studying the New Testament requires a determination to encounter this collection of writings on its own terms This classic introduction by Charles B Puskas revised with C Michael Robbins provides helpful guidance Since the publication of the first edition which was in print for twenty years a host of new and diverse cultural historical social scientific socio rhetorical narrative textual and contextual studies has been examined Attentive also to the positive reviews of the first edition the authors retain the original tripartite arrangement on 1 the world of the New Testament 2 interpreting the New Testament and 3 Jesus and early Christianity This volume supplies readers with pertinent primary and secondary material The new edition carries on a genuine effort to be nonsectarian and although it is more of a critical introduction than a general survey it is recommended to midlevel college and seminary students and to anyone who wants to be better informed about the New Testament *Introduction to Biblical Interpretation* William W. Klein, Craig L. Blomberg, Robert L. Hubbard, Jr., 2017-03-28 Introduction to Biblical Interpretation now in its third edition is a classic hermeneutics textbook that sets forth concise logical and practical guidelines for discovering the truth in God's Word With updates and revisions throughout that keep pace with current scholarship this book offers students the best and most up to date information needed to interpret Scripture Introduction to Biblical Interpretation Defines and describes hermeneutics the science of biblical interpretation Suggests effective methods to understand the meaning of the biblical text Surveys the literary cultural social and historical issues that impact any text Evaluates both traditional and modern approaches to Bible interpretation Examines the reader's role as an interpreter of the text and helps identify what the reader brings to the text that could distort its message Tackles the problem of how to apply the Bible in valid and significant ways today Provides an extensive and revised annotated list of books that readers will find helpful in the practice of biblical interpretation Used in college and seminary classrooms around the world this volume is a trusted and valuable tool for students and other readers who desire to understand and apply the Bible *An Introduction to Theology in Africa and the Kpelelogical Foundations of Christian Theology* Charles Amarkwei, 2021-10-12 In this book African Christian theology is introduced as a Kpelelogical reflection about life in the context of Africa which exists in the context of the cosmos Kpelelogy is the ontological mode of being grasped by the agape of God in Christ by grace through faith in the power of the Holy Spirit By this mode African theology is introduced by way of a definition a principle of paradox and a description as well as a critical view of the works of African theologians It examines the issues of method criteria and sources of doing theology in Africa and introduces the method of Kpelelogy as an African theological method This is explored further as a holistic theological method that is conscious of its being in existence and its life in history that is driven by faith in the triune God in a pneumatic experience that has been termed in this book as the Kpelelogical ontological mode The book is ecumenical in view of its engagement with Christian

tradition It presents a Kpelelogical theology that is concretely African and universally Christian in the Okpelejen Wulormor the cosmic Jesus Christ who is and was but beyond the munus triplex Priest King and Prophet threefold office of Jesus Christ that is to come Hence it is a theology which embraces elements of Reformed Lutheran Methodist Pentecostal Charismatic Roman Catholic and Eastern Orthodox theological insights in the African context *The Mandaean—Baptizers of Iraq and Iran* Karen Baker, 2017-09-28 The secrets of a complex belief system that have sustained the Mandaean in their centuries old native lands in Iraq and Iran have been collapsing before their eyes This little known Gnostic sect has been hidden from global awareness until now With a passion for the obscure Karen Baker has delved into this secret sect exploring the effects of the turmoil they have faced in their homeland and are now facing in Diaspora The Iraqi and Iranian Mandaean have fled their homes with nothing more than the clothing on their backs being thrust into the status of refugees watching their traditions and cultures crumble as they encounter new lands and new cultures This book discusses the potential receptivity of Mandaean to Christianity through several perspectives including an evaluation of their relationship to the Gnosticism of the first through third centuries CE as well as its syncretic adaptations to Judaism Christianity and Islam It will be of interest to those interested in little known cultures from a historical and religious perspective those involved with refugees and immigrants and those who desire to understand the foundational beliefs of Mandaean **Alternative Christianities**

Volume II Vince Nicolas, 2018-12-30 Welcome to Volume II of Alternative Christianities For those that have read Alternative Christianities Volume I Early Christian Sects and the Formation of the Bible Welcome Back and I hope you enjoy Alternative Christianities Volume II The Validity of Today's Christian Teachings and the Lost Gospels of the Other Disciples If you have not read Volume I I do hope you pick it up or order it It is well worth reading For those new readers to whom I have not introduced myself in Volume I I am Vince Nicolas I am a historian not a theologian I am writing these books as a historian not as a theologian I want to make that very clear *John of History, Baptist of Faith* James F. McGrath, 2024-10-04 Studies of the historical Jesus typically reduce John the Baptist to a subordinate role in the story of Christian origins This meticulous historical study focuses on John himself revealing his extensive and enduring influence In the popular imagination John the Baptist plays the supporting role of Jesus's unkempt forerunner But meticulous historical study reveals his wide reaching and enduring influence on the history of religion The first study of its kind John of History Baptist of Faith sheds light on the historical John the Baptist and his world James F McGrath applies historical critical methodology not only to the New Testament but also to the Mandaean Book of John a holy text of the last extant gnostic sect McGrath uses the teachings of John's pupil Jesus as a window into his mentor's beliefs Along the way he brings new clarity to questions of contention among scholars such as John's use of immersion as a substitute for temple sacrifice Bold in its claims yet careful in its method John of History Baptist of Faith lends fresh insight into John Jesus and their world McGrath's pioneering monograph will challenge and intrigue students and scholars of the New Testament and Second Temple Judaism **The New Testament** Donald A.

Hagner,2012-11-15 This capstone work from widely respected senior evangelical scholar Donald Hagner offers a substantial introduction to the New Testament Hagner deals with the New Testament both historically and theologically employing the framework of salvation history He treats the New Testament as a coherent body of texts and stresses the unity of the New Testament without neglecting its variety Although the volume covers typical questions of introduction such as author date background and sources it focuses primarily on understanding the theological content and meaning of the texts putting students in a position to understand the origins of Christianity and its canonical writings Throughout Hagner delivers balanced conclusions in conversation with classic and current scholarship The book includes summary tables diagrams maps and extensive bibliographies
