**Ideologies in Conflict** Chris S. Adams, Jr., 2001-07 The author characterizes this book as a docu story As such it is an exceptionally well researched and skillfully written chronology of the history of Russia the Soviet Union and the cold War The work is unusual and unique It is unusual because unlike most books of an historical nature it is free flowing and not tightly structured It is unique because it is written with considerable input from the author's personal experiences interwoven with perceptions and anecdotal observations The work is Assertive I have no doubt that there was Cold War I fought in it The Author Candid Stalin is an unconscionable dictator but I liked the little son of a bitch Truman Provocative Truman is worthless Stalin and Challenging Why not set a goal just between the two of us let's find a practical way to solve our critical issues Reagan and we can set a specific agenda for how to straighten out Soviet American relations Gorbachev Finally it is Cautionary The world has become in many respects a safer place Unfortunately it is also still a dangerous place fraught with uncertainty Commander in Chief US Strategic Command and The missile force is in the same state of readiness as ten years ago My men and my missiles are always ready General of the Army Igor Sergeyev Republic of Russia
