Wacker, 2003-04-30 Wacker gives an in depth account of the practices of American pentecostal churches He examines aspects of pentecostal culture including rituals speaking in tongues the authority of the Bible the central role of Jesus in everyday life the gifts of prophecy and healing ideas about personal appearance women's roles and race relations No Nice Christians! Win Groseclose, 2010-03-29 There are many things that Christians are to be loving gracious forgiving meek bold self controlled etc but nice is not amongst them Yet the Christian church has often chosen to be permissive instead of

loving self centered instead of gracious self interested instead of gracious and hospitable and worldly instead of holy The work of the church is to revolve around the Gospel not program after program and the Gospel is about making men right with God not about increasing the membership of a church to support building projects and large staffs Part of the role of the pastor and teacher is to speak truth into the culture and into the church Such is the purpose behind the essays contained in this book My hope in sharing them is that they may serve as a reality check for those outside of my own fellowship The word nice is derived from the Latin word meaning without knowledge it is my hope that no serious Christian is ever guilty of such a label
