God Centered Finances A Balanced Perspective For Biblical Giving Saving And Spending:

Christian Marriage David Ayers, 2019-02-06 Why should we care about marriage There is a lot of confusion about the purpose of marriage today outside the church as well as within it Written by a distinguished Christian sociologist Christian Marriage is a theologically rich biblically robust and sociologically informed treatise on the nature and value of marriage Drawing on recent social science research empirical data and social history Ayers paints a picture of marriage as an institution meant for human flourishing Along the way Ayers addresses such topics as Dating and selection of a spouse The importance of premarital counseling Sex and procreation Mentoring and supporting unmarried believers Divorce and remarriage And current controversies surrounding premarital sex and same sex marriage Though the book is academically and theologically informed it is written with a pastoral heart It seeks to provide a rich resource for pastors and counselors on a topic of supreme importance to a vibrant church and society *Unbalanced Growth from a Balanced Perspective* Carl Chiarella, Peter Flaschel, Reiner Franke, Ricardo Araujo, Matthieu Charpe, Christian R. Proaño, 2021-01-29 As a whole this book adds the Keynes component K to the Goodwinian vision of a MKS System It first provides a reconsideration of prominent past approaches towards the formation of Keynesian macrodynamics Ultimately it aims to integrate Marx's Distributive Cycle and aspects of Schumpeter's reformulation of socialism and democracy theory with Keynes macro theory of a Tripartite Market Hierarchy This regards financial markets as being at the top followed by goods markets which in turn are followed by the weakest element the labor markets It is completed by certain repercussions that influence the central causal nexus of these three fundamental macro markets in the longer run *The Christian Wallet* Mike Slaughter, Karen Perry Smith, 2016-01-27 Conscientious and compassionate use of our money in a world where people spend 310 million on costumes for their pets and 5 billion on entertaining ringtones for their phones is not an easy task The temptation to spend now and think later or never is ever present but with good intentions and prayerful hearts we can slow down and reflect on what we earn how we spend it who is affected by it and who we can share it with from the introduction Every Christian knows that we are called to love God with all our heart mind soul and strength But what about our wallet We are asked to open it every Sunday when the offering basket comes by and are told that giving is a way of being a good steward but what about spending money at a restaurant or grocery store Best selling author Mike Slaughter offers a comprehensive look at how Christians use their money in *The Christian Wallet* Slaughter explores today's culture of consumerism and the impact of what we buy asking difficult questions about morality and money while acknowledging that there are no easy answers Throughout the book profiles of real people inspire thoughtful reflection about the true value of money and the rewards of conscious spending Questions for individual or group study are also included with each chapter *The Christian Wallet* helps Christians grapple with important questions about using money how we spend how we live how we save how we give and what it all means *Making Change* Ken Hemphill, 2006-06-01 *Making Change* presents the essential basics of money management for Christians and then casts a

greater added vision to the church and individuals of how our God given financial resources can change lives for the sake of His kingdom Author Ken Hemphill begins by helping readers discover the blessing of contentment rather than the gnawing curse of greed and shares helpful instructions on debt reduction earning saving and spending He also addresses the biblical laws of giving and teaches an inspiring concept of whole life stewardship that can lead to a person s legacy And that s worth more than anything money could ever buy Becoming a Healthy Church Stephen A. Macchia,2003-11 A healthy church is possible Here are ten traits to help you diagnose the state of your church and start it down the path to improvement **The Final Tithe: A Christian Approach to Estate Planning** Rollyn H. Samp,2005 **Christian Leadership Essentials** David S. Dockery,2011-03-15 Christian Leadership Essentials finds university president David S Dockery assembling a great wealth of tried and true insights on the distinctive methods of leading Christian organizations and institutions No matter how much experience a faith based leader may already have there are plenty of fresh thoughts and indispensable guiding principles here on topics including finance and budget planning mission and vision employee relations theological foundations mentoring crisis management and more A majority of the nineteen contributors are active academic presidents including Robert B Sloan Houston Baptist University A Biblical Model of Leadership Judson Carlberg Gordon College Managing the Organization Jon Wallace Azusa Pacific University Financial Oversight and Budget Planning Evans Whitaker Anderson University South Carolina Development Campaigns and Building Projects Carl Zylstra Dordt College Accreditation and Government Relations Jim Edwards Anderson University Indiana Relationships with Multiple and Various Constituencies Phil Eaton Seattle Pacific University Employee Relations in a Grace filled Community Barry Corey Biola University Engaging the Culture and Randall O Brien Carson Newman College The Leader as Mentor and Pastor **The Christian Century** ,1925

Smart Money Management John Ramsey,2007-03 Smart Money Management A Biblical Approach to Financial Stability by Pastor John Ramsey unveils the concerns of financial literacy that have plagued our communities He addresses challenging issues and uses scriptural references and parables that coincide with our daily living Beginning with the parable of the unjust steward and ending the book with the Gospel of Matthew on stewardship Ramsey offers a biblical solution for Christian stewardship in the 21st century He addresses both the ministry and professional angle to provide a good balance of practical advice for all settings **The Bridger Generation** Thom S. Rainer,2006-05-01 The Bridger Generation is the first comprehensive study of the new generation 72 million strong born between 1977 and 1994 These are the Bridgers the first generation to come of age in the twenty first century bridging the gap between two centuries and two millennia Rainer s in depth analysis explores and explains revealing data facts and trends about tomorrow s leaders and how best to present them with the gospel of Jesus Moving beyond the Baby Boomers Busters and Generation X The Bridger Generation takes a unique first look at the next American demographic phenomenon The Christian Advocate ,1929 *Tithes and Offerings* G. Davis Dean, Jr.,2014-10-15 Tithes and Offerings Perspectives on Christian Giving is the result of a suggestion made to the author

by a close Christian friend and consultant His reasoning was that although there are many books on the Christian tithes and offerings they are overwhelmingly legalistic or moralistic Such appeals have often been based upon the popular though false health and wealth gospel This suggestion led the author to consider and examine not only points of conservative church doctrine as they may be applied to the subject but to incidents in Scripture that involved the act of giving This in turn led the author into a research and analysis of the historical and cultural context of the exchange and the profile and life situation of the personages involved in it The final matter to come out of all this reconstruction was to put a flesh and bone humanity upon personages most people only know from Scripture by their names and the deeds associated with them But more in regard to the act of giving there is the considering of what the act meant to them personally and to translate this very human meaning to Christian giving among believers even today
