God Is Not A Vending Machine:

God Is Not a Vending Machine Marvin D. Hinten, Marvin Hinten, 2000-12 Most of us are much better at supporting the idea of prayer than we are at praying This book combines Scriptural insights on pleasing God in prayer with practical insights on making prayer effective Making prayer effective however doesn't mean getting what we want Hinten tells how to use prayer to move from a desire for what we want to a desire for what God wants And in the Putting Prayer Into Practice section at the end of each chapter he suggests specific techniques and topics to help readers meet their goal of not just reading about prayer but praying Best of all while this book is intellectually stimulating it is also eminently readable with clear examples and an engaging sense of humor

God Is Not a Vending Machine Steven Chance, 2016-03-31 As I often tell audiences when I speak to churches and other Christian groups God is not a vending machine We don't get to put in a dollar and punch a button to pop out the perfect spouse or the ideal job or a spacious home There are also no buttons that we can push to take away our problems to instantly smooth over marital difficulties eliminate job stress make our kids behave better or get rid of cerebral palsy I am so grateful that Jesus Christ died to make things right between God and me But to believe that his sacrifice leads to anything other than my reconciliation with God is to make a mockery of the cross

God Is Not a Vending Machine... Marvin D. Hinten, 1983-01-01 **Dying Church Living God** Chuck Meyer, Make a new church That's the challenge Chuck Meyer lays down for readers He writes that the institutional church we know so well is dying In fact it may already be dead Its structure and theology make no sense today and haven't for decades It has ceased to be an adequate instrument for the Living God who refuses to be bound by it to it or in it Dying Church Living God is a provocative radical look at the church as it enters the 21st century In the midst of all this enormous change the Church still conducts worship services at hours based around 19th century milking schedules There is an incredibly deep spiritual hunger gnawing at people that Chuck Meyer believes the church must address Acknowledgement of the death of the church and the inevitable resurrection is both the premise and the promise of this provocative enlightening book

Driven by Love Emmanuel Nester, 2016-02-12 Going from being the boy who walks on water in everyone's eyes the boy loved by everyone in the community and the pride of his father's family to being evil incarnate the great Satan A snake to have its head cut off So much was invested in this boy for him to stay on a path that was walked by his family for many generations In the eyes of everyone around him taking this path was the only right thing to do There was no other way In this environment taking a different path meant being lost Regardless of the consequences Emmanuel made a decision to choose a different path after a great encounter with some far greater than his family and friends This decision was the start of a new life for Emmanuel for the first time he experienced treatment that was only reserved for enemies in his community Sometimes the right path is not the easiest one but it is worth it

No Irrelevant Jesus Gerhard Lohfink,2014 Is Jesus relevant for today If you think not don't bother with this book But if you think that Jesus might have something to say to today's world which Jesus comes to mind Is he gentle Jesus meek and mild offering individual salvation but with no message for a suffering world Is he to be remembered as a Zealot fighting for a hopeless cause or as an outstanding rabbi Was he a prophet in the long series of Israel's prophets or a religious founder like Muhammad or Gautama Or was Jesus unique a man utterly consumed by zeal for the reign of God by the fierce urgency of now the leader of a movement dedicated to God's cause but committed to nonviolence and living for others If we seek him can we find him in the churches In No Irrelevant Jesus Gerhard Lohfink author of the acclaimed Jesus of Nazareth explores these questions and offers a resounding yes to the relevance of Jesus today

Access All Areas Jeff Lucas,2020-08-01 It's what you'd want if you were attending an important event a front row seat That way you'd be guaranteed a great view and up close and personal look at the performance No wonder the best seats are sold at a massive premium Jesus made the decision to allow his three closest friends Peter James and John access to a number of episodes that nobody else the rest of the disciples included enjoyed These were not VIP passes It isn't that Jesus considered the three to be more important or significant than the others but there were strategic reasons for their inclusion Over the next couple of months we'll take a seat alongside them and see what we can glean from the unique vantage point they enjoyed As they watched a young girl being raised from the dead were stunned on the Mount of Transfiguration and then fought sleep in Garden of Gethsemane we'll ask how did these episodes

shape their faith and prepare them for the joy and pains that they would face as they moved toward apostolic responsibility And what can we learn from their journey

Silent No More John Potter, 2022-08-08 Suicide is a leading cause of death More people die from suicide than in all of the combined wars conflicts and natural disasters across the globe Suicide is also an issue that few seem willing to discuss Suicide remains a hidden or taboo topic Stigma culture and theological misunderstanding are contributing factors to this reality Silent No More A Christian Response to Suicide examines how scripture spiritual practices and congregations can address suicide Religion spirituality is frequently listed as a strong protective factor against suicide Years of research studies and literature show that religion spirituality is even stronger when beliefs religious activity and community are engaged to support people at risk of suicide Religion spirituality must be fully integrated into suicide prevention plans and efforts if a total wellness approach of spirit mind and body are to be utilized The book also addresses that Christian congregations must have love soaked people who are ready to provide community and fellowship to hurting people inside and outside of the church doors The author concludes the book with seven steps that will enable congregations and churches leaders to help those who are at risk of suicide These strategies can make simple strides to address suicide and help hurting people in any community It is time for Christian communities to rejoin the battle against suicide Christianity has a rich legacy of caring for people in crisis historically having started hospitals mental health centers and compassionate care ministries There is a way for Christianity to regain its voice and care for people at risk of suicide It is time for Christians to be silent no more
