The visible hand of God; or The miracles, signs, and wonders which have occurred in the past dealings of God with the nation of Israel Robert Roberts, 1884 Hearing God's Voice: Towards a Theology of Contemporary Pentecostal Revelatory Experience Tania M. Harris, 2023-09-25 The revelatory experience or in common parlance hearing God s voice is prized by Pentecostal Charismatic Christians for its contribution to spirituality yet remains one of the most problematic areas of church life Theological tensions and pastoral fallout have plagued the experience since the time of the New Testament Drawing on the tools of practical theology this book presents the findings of a unique and ground breaking study among Australian Pentecostals With a theological framework modelled on New Testament practice and undergirded by the accountability of the local church many of the problems associated with revelatory experience can be addressed and the experience fully harnessed for kingdom purpose **From Death to Life** Esther O. King, 2018-10-26 This book is fascinating and unique It is from the depths of the heart of our heavenly Father of the heart of America and of the heart of the Philippines This book is about the stories that must be read for the glory of God From the beginning and to the ending of this book it is about the exciting glory of God and his power that will bring inspiration within your soul This is an extraordinary and unforgettable treasure from heaven filled with hope love healing restoration deliverance confidence blessings wisdom knowledge and his revelation Esther is the one who breaks the ground being a child living in the poorest country of the Philippines and being a brave woman coming to America Her true story is a living testimony and her experience is from the
