God Or Allah, Truth Or Bull? Richard Woo,2011 Is there a perfect being Is everything in the universe a creation of God the so called Intelligent Designer Is there a providential divinity watching over the human drama and occasionally revealing information to us supernaturally Writing about God and religious issues can attract adverse reactions from people and one can never be sure of the kind of reception that may ensue even if one s arguments appear to be nothing less than logical I hope this book will imbue in you a realization that there are no logical arguments for the existence of God or any god apart from wishy washy propositions that say little or nothing and that no empirical evidence has ever been offered in support Arguments must be decided on the basis of their being factual or non factual persuasive or unpersuasive logical or illogical Reason is a far more reliable or effective tool than a mountain of faith especially if faith means adhering blindly to one s religious teachings or dogma Arguably whether life is meaningful whether there is a purpose to the universe or whether there is a paradise waiting for us after we are buried or cremated are questions that will have to rest with each individual Thus if there are any truths to be found in this book it is for you the reader to decide Before he retired Richard Woo was in international banking Today he lives in Singapore and is an avid reader on topics concerning science politics and religion Publisher s website <http://www.strategicpublishinggroup.com/title/GodOrAllahTruthOrBull.html> *The City of God Books 1-10* Saint Augustine, **The City of God** St. Augustine,2022-05-03 16 centuries ago the greatest empire the world had ever seen The Roman Empire symbolically with the sack of its capitol the eternal city of Rome died It was the end of 1 000

years of civilization by the hands of barbarian hordes from Germania Many Romans argued at the time that the Empire was crumbling because the ancient gods had been displaced by the now official and dominant Christian faith The City of God is a rebuttal of this belief but that is far from all that it is In addition to being an apologetic work of Christian influence is also one of the most important theological constructions on theological anthropology esp human depravity political instability and the glory of God of his kingdom his City his righteousness Moreover the book is perhaps the most important and groundbreaking political philosophy the church has yet to produce Second only to Augustine's Confessions in popularity and spreading a wider theological net than Augustine's De Trinitate The City of God is the greatest and most comprehensive of Augustine's works It is impossible to understand his thought or its trajectory without this work Now bound in a reader friendly design and size and printed on straight white and semi gloss pages this edition is excellent for both a straight read of the text or a critical study of it The City of God Saint Augustine (of Hippo), 2009 Saint Augustine of Hippo is one of the central figures in the history of Christianity and this book is one of his greatest theological works Written as an eloquent defense of the faith at a time when the Roman Empire was on the brink of collapse it examines the ancient pagan religions of Rome the arguments of the Greek philosophers and the revelations of the Bible *Each Tribe, a God or Goddess* Emmanuel S. Goka, 2020-11-13 The Xexemewortor Almighty God appears to tribes or nations as a god or goddess The revelation is in the form of an image and name to demand full reverence and obedience But some tribes or nations chose other gods or goddesses to whom they gave full allegiance to the detriment of their own They incurred the wrath of Xexemewortor who considered them disobedient and didn't answer them in their time of need And to their shock instead of peace security and development Xexemewortor caused them to experience anarchy droughts extreme poverty hunger hopelessness violent crimes diseases natural disasters and shorter life spans The novel teaches that each nation or tribe must serve and worship its god or goddess in the form and by the name revealed to it by Xexemewortor for sustainable development as their non worship of their god amounts to disobedience of Xexemewortor **The city of God** Aurelius Augustinus, 1909
