correspondence and after two months decided on the propositions discussed in this book Mr White wanted a much longer time given to each proposition He also requested that the disputants be governed by the rules laid down in Hedge s Logic and that each debater be confined to the proposition discussed To both of these propositions Mr Russell declined to agree Mr White came with the indorsements of the best brethren throughout the South and South west He has spent fifteen years in the evangelistic field He has been the champion of seventeen debates extending from Tennessee to California While only forty years of age and in appearance on the platform young enough to be Mr Russell s own son he nevertheless handled his part of the program in a manner that proved him to be a master of the occasion It is also important to state that Mr D A Brown an expert stenographer of national reputation was employed by me to take the full debate Mr Brown is not a member of either church and his report can be regarded as the only full and impartial report published Back cover
