were a bit stinky in the winter Our house is a long house or what you would call a rectangular prism with a fireplace area in the middle and rugs animal skins hanging to divide the rooms Ragna and I had to comb our hair every morning and we had to take a bath every Saturday You may be wondering if we just walked around in animal skins all day or whether we actually had clothing that looks like it was made of cloth read to find out We Vikings are known for our ships Did you know there are actually two kinds of Viking ships They were called the longships and knarrs Come along with me and learn about our lives
