Gods and Kings (Chronicles of the Kings Book #1) Lynn Austin, 2005-02-01 He was born to rule the people of God but Yahweh is only a vague powerless memory in the minds of his people Though born the second son of King Ahaz Hezekiah is not protected from his father's perverted attempts to gain the favor of the idol Molech Terrified and powerless at the foot of Molech's altar Hezekiah encounters for the first time the one true God of his royal ancestry Yahweh But his journey to the Holy One is riddled by influence from an assortment of men Zechariah a grandfather of noble standing who has fallen into drunkenness Uriah the High Priest whose lust for power forces him to gamble the faith he proclaims and Shebna the Egyptian intellectual who guides Hezekiah's instruction For the two women who love Hezekiah the meaning of love and its sacrificial essence will direct the course of their lives and help shape the young prince's future *The Englishman's Critical and Expository Bible Cyclopaedia* Andrew Robert Fausset, 1878 **Chronicles of the Kings #1** Lynn N. Etc Thomas Lumisden STRANGE, 1871 *God's Love Language* Waldon Wright, 2014-06-11 God's Love Language is an easy to read comprehensive inspirational and thought provoking non fictional redemptive and life saving presentation on a subject that has eternal consequences for individuals the family society and our world This researched work gives a clear and direct answer to the question What is God's Love Language In doing so it compares and contrasts God's Love Language with human

love language against the backdrop of love love language kinds of love language and communication of love This work also shows that God has a keen interest in building a saving and eternal relationship with human beings that is second to none While God s Love Language outlines the outstanding benefits to persons who have used it are using it and will use it in the future it also presents consequences to those who knowingly refuse to use and endorse it God s Love Language also provides an inclusive list of persons who have used it This list includes the rich poor educated uneducated as well as villains whose lives have been transformed permanently for good By including users of various backgrounds and diverse experiences it sets out to show that your life can be changed for the better that your past does not have to define your future and your past sins or crimes need not imprison you to a life of doom and gloom Then as if in answer to your unspoken question it gives the reason for this seemingly humanly impossible transformation as the beings who are at the centre of God s Love Language Then it concludes by providing you with a priceless opportunity to make a response in favour of God s Love Language Take this enviable rewarding journey through this book As you become thrilled by the gripping plots scenes and life changing stories along this seven chapter experience you will conclude that while human love language is good God s Love language is a far more excellent way Then encourage others to take the same journey as you did and endorse Gods Love Language
