Gods Loving Word Exploring The Gospel Of John:

God's Loving Word Ray C. Stedman, 2015-04-29 The gospel of John one of the key books of the Bible reads like an intimate biography from the pen of the disciple whom Jesus loved This verse by verse exploration of John s gospel brings to life the miracles and majesty of Jesus of Nazareth Including life related illustrations for application the book features Bible passages within text and answers the question Who is Jesus **The Miracles of Jesus According to John** Stephen S. Kim, 2010-07-08 In our age of theological relativism Jesus question to His own disciples continues to ring true Who do the people say that the Son of Man is Through Jesus seven miracles and His seven I Am sayings the apostle John provides a clear answer to that all important question Furthermore what do Jesus miracles represent Are they designed to point to something or someone In our supernatural crazed culture that affects even evangelical Christianity it is refreshing to be reminded that biblical miracles were never arbitrary but were always purposeful authenticating God s message and His messenger s In the Gospel of John the miracles of Jesus are both Christological that is they highlight Jesus Person and eschatological that is they foreshadow the work the Messiah will do in His future Advent The miracles remind us that God s desire for every believer is first and foremost a spiritual relationship with Him through His Son Furthermore Jesus miracles also remind us that God s work in and for every believer will be fully and ultimately realized in the everlasting life Effective Pastoring Bill Lawrence, 1999-10-05 A great deal of confusion exists today as to what pastors are to be Lawrence writes Are they chaplains CEO s preachers managers or counselors Paul gave us the answer long ago They are to be equippers disciple makers Just as the great artist Michelangelo took a chipped and flawed piece of marble and transformed it into a masterful sculpture of David so does a pastor with his flock This is pastoring writes Lawrence serving as sculptors of souls *Lazarus Awakening* Joanna Weaver, 2012-02-21 The bestselling author of *Having a Mary Heart in a Martha World* invites you to experience a divine shift in how you view your relationship with God one that helps move the truth of God s love from your head to your heart If you worry that you are unworthy of God s favor or you wonder why He doesn t intervene to prevent your pain *Lazarus Awakening* will take you straight to the heart of His love for you Jennifer Rothschild bestselling author In the third book in her life changing *Bethany Trilogy* Joanna Weaver invites you to experience a divine shift in how you view your relationship with God one that moves the truth of God s love from your head to your heart and helps you step into the fullness of life Jesus came to bring Shattering spiritual formulas for performance driven faith *Lazarus Awakening* clears a path to sweet intimacy with Jesus You ll encounter the story of Mary Martha and Lazarus in a fresh way as you open your heart to the truth that you are cherished apart from anything you accomplish apart from anything you bring Just as Jesus called Lazarus forth to new life He wants to free you to live fully in the light of His love unhindered by fear regret or self condemnation No more graveclothes no more tombs Love is calling your name This edition includes a Bible study guide for both individual reflection and group discussion a bonus chapter on laying aside everything that hinders your life with Jesus

A Thematic Access-Oriented Bibliography of Jesus's Resurrection Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection. Present-day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus. The literature measures well over seven thousand sources in English language books alone. This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task. Even when a specific book is relevant, finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort. A Thematic Access-Oriented Bibliography of Jesus's Resurrection addresses these challenges in several ways. First, the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty-four subcategories which are designed to help you find the most relevant literature quickly and efficiently. Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views: theistic (e.g., Christian, Jewish, Muslim, etc.), agnostic, and nontheistic. The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives, allowing you to browse or find the one source accurately and with ease.

Mayday, I'm Fallen Ross Chadwick, 2008 Because of the Fall and Original Sin, Christians inevitably face all kinds of spiritual trouble similar to the life-threatening tragedies that firefighters daily battle. Author and Fire Chief Ross Chadwick names Christianity as extremely hazardous and dangerous where Christians daily face risky situations that threaten their very spiritual survival and thus begs the question: When we get into trouble, how will we survive the raging fires? *Mayday, I'm Fallen* offers ten practical tips for spiritual survival modeled after common firefighting safety tactics. Not only do these tips aid the Christian in survival, but they also offer vital information on being a true disciple of Christ. Stop scraping by on your own. When life gets tough, yell out *Mayday, I'm Fallen* to your loving Savior, waiting to bring you back to safe standing.

The Claims of Christ Barry L. Davis, 2001-07-27 Who is Jesus Christ? What did He stand for? What was His purpose in coming to earth? How does He want us to relate to Him today? All these questions were answered over 2,000 years ago by the Christ Himself. Jesus very clearly explained exactly who He was and why He came in the Gospel accounts. This volume explores Jesus' claims and what they mean to us today. It invites us to sit in on Jesus' teachings by both examining the cultural setting in which they were made and how they still speak to our contemporary culture with amazing relevance.

The Johannine Renaissance in Early Modern English Literature and Theology Paul Cefalu, 2017-10-27 The *Johannine Renaissance* in Early Modern English Literature and Theology argues that the Fourth Gospel and First Epistle of Saint John the Evangelist were so

influential during the early modern period in England as to share with Pauline theology pride of place as leading apostolic texts on matters Christological sacramental pneumatological and political The book argues further that in several instances Johannine theology is more central than both Pauline theology and the Synoptic theology of Matthew Mark and Luke particularly with regard to early modern polemicizing on the Trinity distinctions between agape and eros and the ideologies of radical dissent especially the seventeenth century antinomian challenge of free grace to traditional Puritan Pietism In particular early modern religious poetry including works by Robert Southwell George Herbert John Donne Richard Crashaw Thomas Traherne and Anna Trapnel embraces a distinctive form of Johannine devotion that emphasizes the divine rather than human nature of Christ the belief that salvation is achieved more through revelation than objective atonement and expiatory sin a realized eschatology a robust doctrine of assurance and comfort and a stylistic and rhetorical approach to representing these theological features that often emulates John's mode of discipleship misunderstanding and dramatic irony Early modern Johannine devotion assumes that religious lyrics often express a revelatory poetics that aims to clarify typically through the use of dramatic irony some of the deepest mysteries of the Fourth Gospel and First Epistle

Penetrating God's World with the Gospel of Christ Bennie Simmons,2019-02-20 This book is dealing with subjects that are seldom discussed but are needed for the church to grow in number Discipleship is important but first we must lead the person to Christ with the right message That message is found in the book of Acts The essence of the Gospel was and is today in three parts One is the person of Christ found in the four Gospels Two is the death of Christ again found in the four Gospels And thirdly is the resurrection of Christ Number three being the most neglected part of the Gospel presentation If we follow the messages by Paul and Peter in the book of Acts we will see that all three elements are included We discuss how Satan has tricked and fooled us by his slick presentation as concerning the Gospel of Jesus Christ We teach how one person can lead many to Christ before we stand at the judgement seat of Christ This book will change you

Study John's Gospel Paul Avent,2010-09-28 There is no available information at this time The Word of God at Vatican II Ronald D. Witherup,2014 The Vatican II s Dogmatic Constitution on Divine Revelation is universally acclaimed as one of the council s most important documents Published in 1965 after a long and circuitous route throughout all four years of the council Dei Verbum sets forth the Catholic Church s official teaching about divine revelation and the complex interrelationship between Scripture and Tradition With the approach of the fiftieth anniversary of the constitution this book intended for general audiences summarizes the history and principal teaching of this groundbreaking document Accompanying the text of The Word of God at Vatican II is a paragraph by paragraph commentary and an exploration of the impact the constitution has had in the church s life Readers will be amazed at how influential Dei Verbum continues to be even today Uncovering Calvin's God Forrest H. Buckner,2020-08-20 Although God loves you is a common summary of the central message of Christian teaching and preaching a close reading of the Bible and attention to the Christian tradition will reveal passages of Scripture and Christian doctrines particularly John Calvin s doctrine of predestination that seem to undermine confidence in God s love for all people For numerous theologians including many within the Reformed tradition the secret decree of Calvin s God to save some and condemn others seems to undercut completely one s assurance of salvation along with one s ability to trust in and worship God However pastor and scholar John Calvin confidently spoke of God as a loving Father throughout his teaching and preaching In Uncovering Calvin s God Forrest H Buckner unearths

Calvin's teaching about the God of love who reigns sovereign over predestination Drawing upon sources from across Calvin's corpus Buckner examines Calvin's teaching on the knowledge of God and the doctrine of predestination to provide a more robust and cohesive understanding of Calvin's theology which Buckner then confirms through an extensive examination of Calvin's preaching in Geneva He then offers a critical comparison of Calvin's approach with the teaching of Luther Zwingli Bullinger Arminius and Barth Using Calvin's system as a starting point this book helps readers perceive the essentials and trade offs of any doctrine of predestination that takes seriously both the Bible and the loving God revealed in Jesus Christ

Our Father, Our Teacher Christopher J. Reeves, 2022-09-16 From the beginning God created men and women in his own image as the objects of his love His intention has been to father mankind raising us as his children While the intimacy of this relationship was broken through the fall our Father has never stopped loving us His faithful lovingkindness is unchanged And through Jesus we not only see the intimate relationship of Father and Son as the divine pattern but we find ourselves restored as children in his household Through Jesus we can experientially live in relationship with our Father and through the working of the Holy Spirit within affectionately call him our Abba The greatest opportunity is now afforded to us to walk in loving intimacy with our Father as he raises us teaches us his ways and matures within us his divine nature of other centered love Our Father Our Teacher is a biblical exploration of how God is drawing men and women to himself in an experiential relationship of love and learning
