Harper,2017-04-26 In The Gaithers and Southern Gospel Ryan P Harper examines songwriters Bill and Gloria Gaither s Homecoming video and concert series a gospel music franchise that since its beginning in 1991 has outperformed all Christian and much secular popular music on the American music market The Homecomings represent southern gospel Typically that means a musical style popular among white evangelical Christians in the American South and Midwest and it sometimes overlaps in style theme and audience with country music The Homecomings nostalgic orientation their celebration of traditional kinds of American Christian life harmonize well with southern gospel music past and present But amidst the backward gazes the Homecomings also portend and manifest change The Gaithers deliberate racial integration of their stages their careful articulation of a relatively inclusive evangelical theology and their experiments with an array of musical forms demonstrate that the Homecoming is neither simplistically nostalgic nor solely southern Harper reveals how the Gaithers negotiate a tension between traditional and changing community norms as they seek simultaneously to maintain and expand their audience as well as to initiate and respond to shifts within their fan base Pulling from his field work at Homecoming concerts behind the scenes with the Gaithers and with numerous Homecoming fans Harper reveals the Homecoming world to be a dynamic complicated constellation in the formation of American religious identity *Through the Artist's Eyes* Scott J. Einig,2018-10-22 For too long we have only thought about and acted on what a woman s body gives us rather than what it can cause us to do And what it should cause us to do is to worship the God of the universe For many men the struggle with lust is not a struggle It is a war It is a war we seem to be losing Many men give up the fight altogether In *Through the Artist s Eyes* author Scott J Einig shares the trials of his own years long war with lust and how when all seemed lost God set him free Einig goes on to share all the things God taught him about what it truly means to be pure in this world what changes we need to make and that lasting victory over lust is possible This book is a message of hope for the

hopeless We can be free We can have victory We can be men It is for freedom that Christ has set us free Stand firm then and do not let yourselves be burdened again by a yoke of slavery Galatians 5:1 *Making Chastity Sexy* Christine J.

Gardner, 2011-07-28 Even though they are immersed in sex saturated society millions of teens are pledging to remain virgins until their wedding night How are evangelical Christians persuading young people to wait until marriage Christine J Gardner looks closely at the language of the chastity movement and discovers a savvy campaign that uses sex to sell abstinence Drawing from interviews with evangelical leaders and teenagers she examines the strategy to shift from a negative just say no approach to a positive one just say yes to great sex within marriage *Making Chastity Sexy* sheds new light on an abstinence campaign that has successfully recast a traditionally feminist idea my body my choice into a powerful message but one that Gardner suggests may ultimately reduce evangelicalism's transformative power Focusing on the United States her study also includes a comparative dimension by examining the export of this evangelical agenda to sub Saharan Africa

The Family Jeff Sharlet, 2008 A journalist's penetrating and controversial look at the untold story of Christian fundamentalism's most elite organisation a self described invisible global network dedicated to a religion of power for the powerful They are the Family fundamentalism's avant garde waging spiritual war in the halls of American power and around the globe They consider themselves the new chosen congressmen generals and foreign dictators who meet in confidential cells to pray and plan for a leadership led by God to be won not by force but through quiet diplomacy Jeff Sharlet is the only journalist to have reported from inside its walls The Family is about the other half of American fundamentalist power not its angry masses but its sophisticated elites In public they host Prayer Breakfasts in private they preach a gospel of biblical capitalism military might and American empire Citing Hitler Lenin and Mao as leadership models the Family's current leader Doug Coe declares We work with power where we can build new power where we can't Part history part investigative journalism The Family is a compelling account of how fundamentalism came to be interwoven with American power and the no holds barred economics of globalisation No other book about the Right has exposed the Family or revealed its far reaching impact on democracy and no future reckoning of fundamentalism will be able to ignore it *The First 90 Days of Marriage*

McVicar, 2015-04-27 This is the first

critical history of Christian Reconstruction and its founder and champion theologian and activist Rousas John Rushdoony

1916 2001 Drawing on exclusive access to Rushdoony's personal papers and extensive correspondence Michael J McVicar demonstrates the considerable role Reconstructionism played in the development of the radical Christian Right and an American theocratic agenda As a religious movement Reconstructionism aims at nothing less than reconstructing individuals through a form of Christian governance that if implemented in the lives of U S citizens would fundamentally alter the shape of American society McVicar examines Rushdoony's career and traces Reconstructionism as it grew from a grassroots populist movement in the 1960s to its height of popularity in the 1970s and 1980s He reveals the movement's galvanizing role in the development of political conspiracy theories and survivalism libertarianism and antistatism and educational reform and homeschooling The book demonstrates how these issues have retained and in many cases gained potency for conservative Christians to the present day despite the decline of the movement itself beginning in the 1990s McVicar contends that Christian Reconstruction has contributed significantly to how certain forms of religiosity have become central and now familiar aspects of an often controversial conservative revolution in America *Teaching True Love to a Sex-at-13 Generation* Eric Ludy, Leslie Ludy, 2005-03-27 No parent wants to admit that their child even their well educated well grounded Christian child could be having consensual sex before graduating middle school Promise rings parental contracts and disease warnings provide but meager defense against a culture overrun with weapons of mass seduction While many factors contributing to the misguided messages received by children stand outside the realm of parental control music videos film fashion others like the meaning of true love can and should be fostered at home Eric and Leslie Ludy authors of the bestselling *When God Writes Your Love Story* present the shocking unvarnished realities of today's sexual climate but they balance the bitter pill with a large dose of hopeful practical advice for parents **Christian Punk** Ibrahim Abraham, 2020-01-23 Christian punk is a surprisingly successful musical subculture and a fascinating expression of American evangelicalism Situating Christian punk within the modern history of Christianity and the rapidly changing culture of spirituality and secularity this book illustrates how Christian punk continues punk's autonomous and oppositional creative practices but from within a typically traditional evangelical morality Analyzing straight edge Christian abstinence and punk friendly churches this book also focuses on gender performance within a subculture dominated by young men in a time of contested gender roles and ideologies Critically minded and rich in ethnographic data and insider perspectives *Christian Punk* will engage scholars of contemporary evangelicalism religion and popular music and punk and all its related subcultures **Educating in the Divine Image** Chaya Rosenfeld Gorsetman, Elana Maryles Sztokman, 2013-10-01 Although recent scholarship has examined gender issues in Judaism with regard to texts rituals and the rabbinate there has been no full length examination of the education of Jewish children in day schools Drawing on studies in education social science and psychology as well as personal interviews the authors show how traditional mainly Orthodox day school education continues to re inscribe gender inequities and socialize students into unhealthy gender identities and relationships They address

pedagogy school practices curricula and textbooks as along with single sex versus coed schooling dress codes sex education Jewish rituals and gender hierarchies in educational leadership Drawing a stark picture of the many ways both girls and boys are molded into gender identities the authors offer concrete resources and suggestions for transforming educational practice

Mother Jones ,2007-03 **Redeeming Masculinity** Peter D. Holmes,2024-07-16 John Paul II spoke of a feminine genius using the phrase to describe the unique and positive contribution of women to relationships the church and society What of men There is considerable debate regarding the nature roles and responsibilities of men What does the church have to say to a boy or young man searching for guidance in developing a genuinely Christian manhood Or to parents schools and communities seeking to cultivate this in their young men Or to the faithful seeking to understand the church s teachings and to apply these in public and private life This book seeks to answer the question Is there a masculine genius Is there a unique and positive contribution men bring to relationships the church and society **Misfit Sisters** S. Short,2006-10-31 This timely study breaks new ground in exploring how recent film and television horror texts articulate a female rite of passage updating the cautionary concerns found in fairy tales of the past particularly in warning against predatory men treacherous females and unhappy family situations **Theology of His Body / Theology of Her Body** Jason Evert,2014-06-26 Theology of His Body and Theology of Her Body will feed your teens with liberating answers to their most pressing questions about love and sexuality These books offer solid relevant teachings in a language teens understand But more than just presenting the truth itself they deliver the tools teens need to achieve the greatness for which they were created This book comes at a critical time because tragically many teens have forgotten their calling or worse have never heard it As a result they don t know who they are or who and what they are meant to be for one another This means they often resort to using instead of authentically loving others and themselves Theology of His Body and Theology of Her Body are two books in one Teens are encouraged to not only learn the truth about their own body but also to discover the beauty of the opposite sex for it is in seeing the complementarity of the two sexes that one discovers the real meaning of his or her own body This is the perfect companion to the Theology of the Body for Teens program and is also ideal for teens new to the Theology of the Body One thing is certain anyone who reads this book will never look at his her body or anybody in the same way again In these books teens will discover How to live a life that will make them happy and fulfilled That their sexual desires are good and holy and actually designed by God The amazing meaning of their body and that it is very good Their true calling and purpose in life How to be the man or woman of greatness they are destined to be The meaning and power behind the words Beauty Femininity Strength and Mission What it means to be created male and female in God s image of love The ways we have messed up God s original plan for us and how to fully restore it Note this is a unique flip book where you have TOB for His Body on the cover then you flip it over and it is TOB for Her Body so 2 in 1 Gendering Poetry Vicki Bertram,2005 Vicki Bertram shows that gender is a crucial ingredient in the writing reading and interpretation of poetry Beginning with an

overview and critique of the contemporary debate on poetry and gender she then moves on to discuss the work of selected lyric poets from the 1950s onwards
