Weaver,2022-08-16 Trusting God It's such a cliché Yet nothing means more to our heavenly Father than when we surrender our lives completely to him and choose to believe he has our best in mind David modeled that kind of deliberate dependence as a shepherd boy as a man running for his life as a king who made grave mistakes In both triumph and failure David looked to God rather than to himself In Embracing Trust Joanna Weaver bestselling author of the runaway hit Having a Mary Heart in a Martha World shares personal stories practical tips and life changing principles gleaned from Scripture If you struggle with disappointment from the past frustration with the present or fear of the future Joanna invites you to trust in the Lord with all your heart Relinquishing control and putting your hope in a forever faithful Father that's the beautiful secret of unshakeable faith Includes a 10 week companion Bible study *Backpacker* ,2004-09 *Backpacker* brings the outdoors straight to the reader's doorstep inspiring and enabling them to go more places and enjoy nature more often The authority on active adventure *Backpacker* is the world's first GPS enabled magazine and the only magazine whose editors personally test the hiking trails camping gear and survival tips they publish *Backpacker's* Editors Choice Awards an industry honor recognizing design feature and product innovation has become the gold standard against which all other outdoor industry awards are measured *Dangerous Surrender* Kay Warren,2008-09-09 You have a plan for the rest of your life God has a plan for the rest of your life Are they the same You have expectations for how your life will play out and you hope those plans will become realities But what if God's plan for your life is far different from what you had in mind Can you accept that Will you surrender your goals for God's Kay Warren had a plan Together with her husband Rick Warren author of the megaseller

The Purpose Driven Life she planned that after her kids were grown she'd travel the world teaching and encouraging couples in ministry. It was a good plan. But it wasn't what God had in mind for her. In a startling wake up call Kay discovered the shocking realities of the AIDS pandemic in Africa while reading a magazine. I want to use you, she heard God say. That began the struggle first to avoid God's call and then to surrender herself to God. She cried out to God, Why are you bothering me with this? There's nothing I can do about it. I'm just an ordinary person. What could one person do about such a gigantic problem? But God had grabbed her attention and wouldn't let go. If you've ever struggled with knowing and doing God's will, this book is for you. With raw honesty Kay goes straight to the heart of the matter: the bottom line is surrender. Will you trust God? Along the way she'll introduce you to others, people like you who have said yes to God and have made a difference in the world. Using their skills, energy, faith, and a willingness to take risks, they became powerful instruments of change and tools in God's hands. Giving in to God isn't easy. It's not for cowards. It's the boldest, riskiest step you'll ever take. This dangerous surrender can bring both joy and pain, both heartache and ecstasy, but it enables you to know God in a far deeper way than ever before. I had to make a conscious decision: Would I retreat to my comfortable life and to my settled plans? Or would I surrender to God's call and let my heart engage with a cause such as AIDS that I was pretty sure would include buckets of pain and sorrow? I felt like I was standing on the edge of a giant precipice. I couldn't go back, and yet the way forward looked like stepping into a void. Kay Warren took that step, choosing to dangerously surrender to God. That decision transformed her life, marriage, and future. She invites you to do the same. You'll benefit most by discussing this book with others. A Readers Group Discussion Guide is provided in the back of the book. Additional help can be found at www.kaywarren.com.
