Good Books To Read For Teens:

500 Great Books For Teens Anita Silvey, 2024-02-27 If you are looking for a book to give to a teenage reader here's the reference you've been waiting for. Until now there's been no accepted guide to what's good, bad, or indifferent in the flood of books coming off the presses in the hot new category of young adult publishing. If it's true that you can't judge a book by its cover, it is especially true for teen books as publishers take aim at a new class of readers. The books land on shelves without a history, and so there is no standard by which to judge them. Anita Silvey, one of the country's leading authorities on books for young people, has interviewed teenage readers all over the country and immersed herself in young adult books with an emphasis on books published in the last five years. The result is this invaluable and very readable guide for parents, teachers, librarians, booksellers, reading groups, and of course teens themselves. With its extended essays describing 500 selections, parents will quickly see what their teenagers are actually reading and will be able to find good books to introduce them to. Teachers can spot excellent additions to summer reading lists. Booksellers can move customers from one favorite to a host of others in the same genre. Librarians can round out collections. Book groups for adults, teens, or both will have hundreds of new titles to consider. 500 Great Books for Teens is divided into twenty-one sections including adventure and survival, politics and social history, horror, romance, war and conflict, fantasy, plays, graphic novels, poetry, memoir, and spirituality. Every section offers up classics, but the majority of titles are new. In *Beyond the 500*, Silvey compiles a number of useful lists including books organized by geographic location and historical period, as well as recommended audio books.

The Big Book of Teen Reading Lists Nancy J. Keane, 2006-08-30 Use these 100 handy reproducible book lists to instantly create handouts for teen readers and teachers, add to your newsletter, or post on your web site or bulletin board. Based on the most common needs of educators and librarians who work with teen readers, these lists focus on new titles and classics that are still in print and readily available for purchase. Fiction and nonfiction titles for ages 13-18 are covered. Bibliographic information and a brief description are given for each title. A dozen bookmarks are also included. This is a great time-saving tool and a good source for finding extended reading lists and read-alikes. Looking for humorous novels for teen readers? A fast-paced sports novel for a reluctant reader? Biographies to use in history class? You'll find these lists and more in this treasury of great reading lists. This versatile guide provides one-page reproducible book lists and bookmarks for books about self, e.g., coming of age, perfectionism, gangs, genre literature, e.g., fantasy, romance, historical fiction, themes, e.g., extreme sports, vampires, peace settings, e.g., Ellis Island, Dust Bowl, WWII, character studies, e.g., adventure with female protagonist, boy bonding, books, fantasy heroes, and read-alikes for bookmarks. More than 100 reproducible lists of books for ages 13-18, junior/senior high focus on new titles and classics that are still in print and readily available for purchase. Bibliographic information and a brief description are given for each title.
