Ehnenn, 2017-05-15 The first full length study to focus exclusively on nineteenth century British women while examining queer authorship and culture Jill R Ehnenn s book is a timely interrogation into the different histories and functions of women s literary partnerships For Vernon Lee Violet Paget and Kit Anstruther Thomson Somerville and Ross Edith Somerville and Violet Martin Elizabeth Robins and Florence Bell and Katharine Bradley and Edith Cooper the couple who wrote under the pseudonym of Michael Field collaborative life and work functioned strategically as sites of discursive resistance that critique Victorian culture in ways that would be characterized today as feminist lesbian and queer Ehnenn s project shows that collaborative texts from such diverse genres as poetry fiction drama the essay and autobiography negotiate many limitations of post Enlightenment patriarchy Cartesian subjectivity and solitary creativity industrial capitalism and alienated labor and heterosexism In so doing these jointly authored texts employ a transgressive aesthetic and invoke the potentials of female spectatorship refusals of representation and the rewriting of history Ehnenn s book will be a valuable resource for scholars and students of Victorian literature and culture women s and gender studies and collaborative writing Reading Is My Window Megan Sweeney, 2010-02-15 Drawing on extensive interviews with ninety four women prisoners Megan Sweeney examines how incarcerated women use available reading materials to come to terms with their pasts negotiate their present experiences and reach toward different futures Foregrounding the voices of African American women Sweeney analyzes how prisoners read three popular genres narratives of victimization urban crime fiction and self help books She outlines the history of reading and education in U S prisons highlighting how the increasing dehumanization of prisoners has resulted in diminished prison libraries and restricted opportunities for reading Although penal officials have sometimes endorsed reading as a means to control prisoners Sweeney illuminates the resourceful ways in which prisoners educate and empower themselves through reading Given the scarcity of counseling and education in prisons women use books to make meaning from their experiences to gain guidance and support to experiment with new ways of being and to maintain connections with the world **What Else Should I Read?** Matthew L. Berman, 1996-08-15 In answer to the perennial question What else should I read these innovative resources go beyond linear listings of suggestions to help students find books through a variety of directions including subject author and genre Each guide contains approximately 30 displayable bookwebs that can be used as posters with reproducible bookmarks that list related titles and fit into pockets on the posters Each web leads users to 8 to 14 related topics that have lists of relevant books with their authors and brief LC

descriptions Detailed author title and subject indexes make further exploration easy Hundreds of the best fiction books for young readers titles commonly found in school library collections are covered in the webs The visual nonlinear features of these books make them unique and user friendly tools for educators and students alike Perfect for the bulletin board the bookwebs are a great way to stimulate reading **The Role of Reading in Nine Famous Lives** Donald E.

Howard,2015-09-11 According to the end of millennium Arts and Entertainment Television Network survey the single most influential person of the last thousand years was Johann Gutenberg the inventor of the printing press The revolutionary advent of moveable metal type made possible the diffusion of books to people around the world profoundly influencing the lives of many famous historical figures thereafter This book attempts to demonstrate the role that reading has played throughout the course of history It documents the lives of nine individuals of outstanding achievement whose efforts were molded by the books they read The subjects are presented in chronological order according to birth Respective chapters contain brief biographies of the subjects and discuss the ways in which each used books as a principal aid in the development of his or her exceptional talents Subjects include Benjamin Franklin who was in 1724 an active connoisseur in the rapidly growing printing trade Thomas Jefferson Abraham Lincoln Frederick Douglass Susan B Anthony Booker T Washington Pearl S Buck Louis L Amour and Nelson Mandela The book maintains that while these historical figures represent a wide range of talents and influences to each is attributed invaluable contributions to society Each was a dedicated reader inspired to greatness by the power of the written word *The Good Country* Jon K. Lauck,2022-11-21 At the center of American history is a hole a gap where some scholars indifference or disdain has too long stood in for the true story of the American Midwest A first ever chronicle of the Midwest s formative century The Good Country restores this American heartland to its central place in the nation s history Jon K Lauck the premier historian of the region puts midwestern squares center stage an unorthodox approach that leads to surprising conclusions The American Midwest in Lauck s cogent account was the most democratically advanced place in the world during the nineteenth century The Good Country describes a rich civic culture that prized education literature libraries and the arts developed a stable social order grounded in Victorian norms republican virtue and Christian teachings and generally put democratic ideals into practice to a greater extent than any nation to date The outbreak of the Civil War and the fight against the slaveholding South only deepened the Midwest s dedication to advancing a democratic culture and solidified its regional identity The good country was of course not the perfect country and Lauck devotes a chapter to the question of race in the Midwest finding early examples of overt racism but also discovering a steady march toward racial progress He also finds many instances of modest reforms enacted through the democratic process and designed to address particular social problems as well as significant advances for women who were active in civic affairs and took advantage of the Midwest s openness to women in higher education Lauck reaches his conclusions through a measured analysis that weighs historical achievements and injustices rejects the acrimonious tones of

the culture wars and seeks a new historical discourse grounded in fair readings of the American past In a trying time of contested politics and culture his book locates a middle ground fittingly in the center of the country

The Oxford History of the Irish Book, Volume IV James H. Murphy, 2011-09 Volume IV The Irish Book in English 1800-1891 details the story of the book in Ireland during the nineteenth century when Ireland was integrated into the United Kingdom The chapters in this volume explore book production and distribution and the differing of ways in which publishing existed in Dublin Belfast and the provinces

The Congregationalist and Christian World, 1905 *Educator's Companion to Children's Literature* Sharron L. McElmeel, 1996-08-15 Each of these volumes explores five popular genres and shows how they can be used to promote learning in the library and classroom After introductory discussions of each genre McElmeel recommends books gives lists of related titles and provides a variety of ideas for genre related activities that complement classroom thematic units Grades 4

Book Ownership in Stuart England David Pearson, 2021-01-26 This volume provides a wide ranging account of the development and importance of private libraries and book ownership through the seventeenth century based upon many kinds of evidence including examination of thousands of books and a list of over 1 300 known owners from diverse backgrounds It considers questions of evolution contents and size and motives for book ownership during a century when growing markets for both new and second hand books meant that books would be found in varying numbers in the homes of all kinds of people from the humble to the wealthy Book ownership by women and by non professional households is explicitly explored Other topics include the balance of motivation between books for use or for display the relationship between libraries and museums and cultures of collecting While presenting a wealth of information in this field conveniently brought together this volume also advances methodologies for book history and makes extensive use of material evidence such as bookbindings It challenges received wisdom around priorities for studying private libraries and the terminology which is appropriate to use In addition the list of owners detailed in the Appendix make this book a work of permanent reference alongside its value in advancing book history

The Posen Library of Jewish Culture and Civilization, Volume 7 Israel Bartal, Kenneth B. Moss, 2024-01-05 Volume 7 of the Posen Library captures unprecedented transformations of Jewish culture amid mass migration global capitalism nationalism revolution and the birth of the secular self Between 1880 and 1918 traditions and regimes collapsed around the world migration and imperialism remade the lives of millions nationalism and secularization transformed selves and collectives utopias beckoned and new kinds of social conflict threatened as never before Few communities experienced the pressures and possibilities of the era more profoundly than the world's Jews This volume seventh in The Posen Library of Jewish Culture and Civilization recaptures the vibrant Jewish cultural creativity political striving social experimentation and fractious religious and secular thought that burst forth in the face of these challenges Editors Israel Bartal and Kenneth B Moss capture the full range of Jewish expression in a centrifugal age from mystical

visions to unabashedly antitraditional Jewish political thought from cookbooks to literary criticism from modernist poetry to vaudeville They also highlight the most remarkable dimension of the 1880 1918 era an audacious effort by newly secular Jews to replace Judaism itself with a new kind of Jewish culture centering on this worldly aesthetic creativity by a posited Jewish nation and the secular modern and free individuals who composed it This volume is an essential starting point for anyone who wishes to understand the divided Jewish present **Extension Service Review** ,1952 **Reading**
