Goosebumps: Attack of the Jack-o'-lanterns #48 R. L. Stine,1996      You're Only Young Twice Timothy Morris,2000

Original and thought provoking You re Only Young Twice reveals the complexities that underlie even the sparest picture book text and the lessons that reside in even the most familiar family movie plots Moving from classic texts The Secret Garden Goodnight Moon to ephemera the Hardy Boys Goosebumps and Harry Potter series from the printed page to the silver screen Willie Wonka Jumanji 101 Dalmatians Beethoven Tim Morris employs his experience as a parent and teacher to interrogate children s culture and reveal its conflicting messages Books and films for children favorites accepted as wholesome fare for impressionable young minds do not always teach straightforward lessons Instead they reflect the anxieties of the times and the desires of adults At the heart of many a children s classic lies power often expressed through racism sexism or violence Under Morris s gaze revered animal stories like Black Beauty turn into litanies of abuse fantasies of childhood like Big are revealed as patriarchal struggles You re Only Young Twice redirects the focus on children s literature asking not What messages should children receive but What messages do adults actually send For example Morris recounts his own childhood confusion upon viewing Peter Pan with its queenish inept pirate and a grown woman Mary Martin in tights who pretends to be a crowing boy Morris shatters our long held assumptions and challenges our best intentions demonstrating how children s literature and films lay bare a troubled and troubling worldview      The Art of Goosebumps Sarah Rodriguez,2021-11-17

Featuring tons of fun facts about the series alongside a walkthrough of all books and covers in the Goosebumps collections this art book is a must have for old and new fans alike In the summer of 1992 Scholastic tasked two terrifyingly talented artists with creating the cover paintings for the books that would premiere the Goosebumps series At that time four books in the line were being market tested by the publisher to see how young readers would react to R L Stine s particular brand of humor tinged horror One element that was sure to catch the attention of little eyes everywhere was striking cover art and boy did they find it The imagery provided by the covers of the Goosebumps series is part and parcel to the 90s Kid zeitgeist helping to create a visual brand for R L Stine s smash hit horror series The covers helped set the tone for the numerous adaptations of the series including a television series a theatre experience and more recently blockbuster films      **Attack of**
