Bogazianos,2012 In 2010 President Barack Obama signed a law repealing one of the most controversial policies in American criminal justice history the one hundred to one sentencing disparity between crack cocaine and powder whereby someone convicted of simply possessing five grams of crack the equivalent of a few sugar packets had been required by law to serve no less than five years in prison In this highly original work Dimitri A Bogazianos draws on various sources to examine the profound symbolic consequences of America s reliance on this punishment structure tracing the rich cultural linkages between America s War on Drugs and the creative contributions of those directly affected by its destructive effects Focusing primarily on lyrics that emerged in 1990s New York rap which critiqued the music industry for being corrupt unjust and criminal Bogazianos shows how many rappers began drawing parallels between the rap game and the crack game He argues that the symbolism of crack in rap s stance towards its own commercialization represents a moral debate that is far bigger than hip hop culture highlighting the degree to which crack cocaine although a drug long in decline has come to represent the entire paradoxical predicament of punishment in the U S today *Rhymin' and Stealin'* Justin A Williams,2013-07-25 The first book length study of one of the most essential elements of hip hop musical borrowing *Understanding African American Rhetoric* Ronald L. Jackson II, Elaine B. Richardson,2014-05-22 This is an extraordinarily well balanced collection of essays focused on varied expressions of African American Rhetoric it also is a critical antidote to a preoccupation with Western Rhetoric as the arbiter of what counts for effective rhetoric Rather than impose Western terminology on African and African American rhetoric the essays in this volume seek to illumine rhetoric from within its own cultural expression thereby creating an understanding grounded in the culture s values The consequence is a richly detailed and well researched set of essays The contribution of African American rhetoric can no longer be rendered invisible through neglect of its tradition The essays in this volume neither seek to displace Western Rhetoric nor function as an uncritical paen to Afrocentricity and Africology This volume is both timely and essential timely in advancing a better understanding of the richly textured history that is expressed through African American discourse and essential as a counterpoint to the hegemonic influence of Greek and Roman rhetoric as the origin of rhetorical theory and practice Written in the spirit of a critical rhetoric this collection eschews traditional focus on public address and instead offers a rich array of texts in musical and other forms that address publics **Icons of Hip Hop** Mickey Hess,2007 Profiles hip hop artists and groups who made significant contributions to the music and culture of the genre including Ice Cube Dr Dre Snoop Dogg Eminem Jay Z and Kanye West and contains discographies and resources for each selection as well as interviews with DJ Premier and DJ Scratch **The Hollywood Book of Scandals** James Robert Parish,2004-06-14 More than 100 celebrity photographs offer readers an up close look at the leading players in some of the biggest scandals to ever rock Tinseltown *Fashion Killa: От улиц до подиумов. Tupac Amaru Shakur, 1971-1996 , 1998 The tragedy of Tupac is that his untimely passing is representative of too many young black men in this country If we had lost Oprah Winfrey at 25 we would have lost a relatively unknown local market TV anchorwoman If we had lost Malcolm X at 25 we would have lost a hustler nicknamed Detroit Red And if I had left the world at 25 we would have lost a big band trumpet player and aspiring composer just a sliver of my eventual life potential From the Foreword by Quincy Jones The real story of Tupac s murder may not ever emerge This may be the only lasting testament to the many faces of Tupac Shakur of a life lived fast and hard of a man cloaked in contradictions A young man who was just starting to come into his own I believe that everything you do bad comes back to you So everything that I do that s bad I m going to suffer for it But in my heart I believe what I m doing is right So I feel like I m going to heaven Tupac Shakur June 1996
