**Representing Agency in Popular Culture** Children and Youth on Page Screen and In Between addresses the intersection of children s and youth s agency and popular culture As scholars in childhood studies and beyond seek to expand understandings of agency power and voice in children s lives this book places popular culture and representation as central to this endeavor Core themes of family gender temporality politics education technology disability conflict identity ethnicity

and friendship traverse across the chapters framed through various film television literature and virtual media sources Here childhood is considered far from homogeneous and the dominance of neoliberal models of agency is questioned by intersectional and intergenerational analyses This book posits there is vast power in popular culture representations of children s agency and interrogation of these themes through interdisciplinary lenses is vital to furthering knowledge and understanding about children s lives and within childhood studies

**Alice in Japanese Wonderlands** Amanda Kennell,2023-07-31 Since the first translations of Lewis Carroll s Alice books appeared in Japan in 1899 Alice has found her way into nearly every facet of Japanese life and popular culture The books have been translated into Japanese more than 500 times resulting in more editions of these works in Japanese than any other language except English Generations of Japanese children learned English from textbooks containing Alice excerpts Japan s internationally famous fashion vogue Lolita merges Alice with French Rococo style In Japan Alice is everywhere in manga literature fine art live action film and television shows anime video games clothing restaurants and household goods consumed by people of all ages and genders In Alice in Japanese Wonderlands Amanda Kennell traverses the breadth of Alice s Japanese media environment starting in 1899 and continuing through 60s psychedelia and 70s intellectual fads to the present showing how a set of nineteenth century British children s books became a vital element in Japanese popular culture Using Japan s myriad adaptations to investigate how this modern media landscape developed Kennell reveals how Alice connects different fields of cultural production and builds cohesion out of otherwise disparate media artists and consumers The first sustained examination of Japanese Alice adaptations her work probes the meaning of Alice in Wonderland as it was adapted by a cast of characters that includes the father of the Japanese short story Ryunosuke Akutagawa the renowned pop artist Yayoi Kusama and the best selling manga collective CLAMP While some may deride adaptive activities as mere copying the form Alice takes in Japan today clearly reflects domestic considerations and creativity not the desire to imitate By engaging with studies of adaptation literature film media and popular culture Kennell uses Japan s proliferation of Alices to explore both Alice and the Japanese media environment

**The Swordsman** Jeremy Mark Robinson, 2024-10-21 THE SWORDSMAN TONY CHING SIU TUNG TSUI HARK A Critical Study By Jeremy Mark Robinson This is a study of the Swordsman film series produced by Tsui Hark and helmed by Tony Ching Siu tung The Swordsman is a gorgeous mix of elements comedy romance spectacle music characterization history mythology Chinese culture and of course action and martial arts The Swordsman is also a truly inspired vision of the jiangzhu the martial arts world which Tony Ching and Tsui Hark explored many times and of course Tsui had dived into the jiangzhu in his very first feature film as director The Butterfly Murders while Tony Ching had lived in the cinematic jiangzhu since the 1960s working on his father's films at Shaws The casting of The Swordsman is marvellous and each of the principals embodies their characters as well as popping out of them there is always a feeling in Chinese historical action movies of this kind that it's all a pantomime that it's pure entertainment and should be taken as just that a wild show Actors aren't allowed to wink at the camera rightly but the movie does The cast play it straight but also with plenty of Peking Operatic over acting They don't need to nod at the audience because the situations are so outlandish The Swordsman movies were adapted from The Smiling Proud Wanderer by Jin Yong Louis Cha 1924-2018 which have been used for five or so TV series and a Shaw Brothers movie of 1978 So the Swordsman films are by no means the only interpretations

of the novels of Jin Yong one of the best known authors of wuxia stories In fact a TV series is a probably more fitting form for adaptation because Jin Yong s stories contain a huge cast of characters and numerous events Those depicted in the Swordsman movies are but one small segment and a loose adaptation at that Tony Ching Siu tung b 1953 started out as an actor and stuntman working in movies in the late 1960s and 1970s he moved into television as martial arts co ordinator in the late 1970s and thru the 1980s on several historical TV series he moved up to directing movies with 1983 s Duel To the Death Tony Ching Siu tung s two signature works are probably A Chinese Ghost Story and The Swordsman 2 Critically those two films and their movie series the Chinese Ghost Story series and the Swordsman series have garnered the highest critical accolades and they were big hits financially and The Swordsman 2 has been the subject of numerous analyses of gender bending issues in cinema The sight of Brigitte Lin in drag and later fooling around with Jet Li as a woman seems to drive film critics goo goo Tony Ching Siu tung has won top awards for the action choreography for The Witch From Nepal Shaolin Soccer New Dragon Gate Inn Hero and The Swordsman Fully illustrated with images from the Swordsman films and the films of Tony Ching With filmography bibliography and notes 168 pages [www.crmoon.com](http://www.crmoon.com) **The Art of Masamune Shirow** Jeremy Mark Robinson,2022-11-28 This is a study of the adaptations of the art of Masamune Shirow real name Masanori Ota born in 1961 Kobe Japan a Japanese artist best known for Ghost In the Shell Appleseed and Dominion *A Chinese Ghost Story* Jeremy Mark Robinson,2024-10-21 A CHINESE GHOST STORY TONY CHING SIU TUNG TSUI HARK A Critical Study By Jeremy Mark Robinson This is a study of the Chinese Ghost Story film series produced by Tsui Hark and helmed by Tony Ching Siu tung The Chinese Ghost Story movies are A Chinese Ghost Story 1987 A Chinese Ghost Story 2 1990 A Chinese Ghost Story 3 1991 A Chinese Ghost Story The Tsui Hark Animation 1997 A Chinese Ghost Story was remade in 2011 and dedicated to Leslie Cheung A Chinese Ghost Story 1987 Mandarin Qiannu Youhun Sien Female Ghost a k a Fair Maiden Tender Spirit was one of those movies where everything works and the mix of elements is just gorgeous This is a golden 100% killer of a movie A Chinese Ghost Story has everything going for it it is among the finest fantasy and action movies ever it boasts a finale as grand as any in cinema it tackles the most profound themes it possesses a perfectly achieved tone and attitude it features two incandescent stars Leslie Cheung and Joey Wong it is helmed and produced by two of the greatest action directors in history and it is brilliant filmmaking Tony Ching Siu tung b 1953 started out as an actor and stuntman working in movies in the late 1960s and 1970s he moved into television as martial arts co ordinator in the late 1970s and thru the 1980s on several historical TV series he moved up to directing movies with 1983 s Duel To the Death Tony Ching Siu tung s two signature works are probably A Chinese Ghost Story and The Swordsman 2 Critically those two films and their movie series the Chinese Ghost Story series and the Swordsman series have garnered the highest critical accolades and they were big hits financially and The Swordsman 2 has been the subject of numerous analyses of gender bending issues in cinema The sight of Brigitte Lin in drag and later fooling around with Jet Li as a woman seems to drive film critics goo goo
