What Is Lighting Design? Michael Chybowski, 2024-02-12 *What Is Lighting Design A Genealogy of People and Ideas* explains what lighting design is by looking at the history of ideas that are a part of this craft and how those ideas developed. Lighting design began in the West with the Renaissance and each historical period since then has modified how and why light is used in performance, the methods for producing light and the consensus around what its purpose is. Exploring each lighting design era and the basic components of lighting design, the book discusses how the central ideas of this craft developed over the past 500 years, what today's lighting designers are concerned with and how lighting design contributes to performances. This book is designed as a main course text for History of Lighting Design university courses and a supplementary text for and introduction to Lighting Design Stagecraft and Scenography courses. It will also be of interest to directors, choreographers and working lighting designers who wish to explore the history and meaning of their craft.

Residential Lighting Design Marcus Steffen, 2014-07-31 *Good lighting is essential to a building. An effective design is not just about introducing light into a space but rather an appreciation of how the space will be used. A good lighting design is so intertwined with the building that it is only noticed in its absence.* This book introduces the tools of the lighting designer and explains how to produce a lighting design for a home. Looking at the nature of light and introducing different lamps and light fittings available, it explains the basics of lighting design and how to provide atmosphere through the play of light and shadow. It gives room by room analysis of good lighting design and gives advice on controls plus an overview of the pitfalls of dimming and energy saving. Illustrated throughout with 132 stunning images and creative ideas. *The Lighting Art* Richard H. Palmer, 1985. A basic text for advanced courses in Lighting Design in Theatre departments.
