**Dubai** Yuting Wang, 2020-09-07 Chinese in Dubai offers the first book length study of the experiences of overseas Chinese living in the most prominent global city in the Arabian Gulf and the broader Middle East region. Evolving around three themes: money, pride, and spirituality, this book delineates the changing shape of Chinese spaces in metropolitan Dubai, explicates how a frontier mentality affects intergroup relations, identity construction, and religious experiences in the Chinese diaspora. It documents how the Chinese make sense of their struggles, sufferings, prosperity, and success in relation to Dubai's fast-changing social environment. This book is a timely endeavour to gauge the implications of a rising China and the shifting patterns of the international economic and political order for the global Chinese diaspora.
