The SAGE Handbook of Interview Research Jaber F. Gubrium, James A. Holstein, Amir B. Marvasti, Karyn D. McKinney, 2012-02-11 The second edition of this landmark volume emphasizes the dynamic interactional and reflexive dimensions of the research interview. Contributors highlight the myriad dimensions of complexity that are emerging as researchers increasingly frame the interview as a communicative opportunity as much as a data gathering format. The book begins with an overview of the history and conceptual transformations of the interview which is followed by chapters that discuss the main components of interview practice. Taken together the contributions to the handbook encourage readers to simultaneously learn the frameworks and technologies of interviewing and reflect on the epistemological foundations of the interview craft. The handbook has been updated to address recent developments especially in qualitative interviewing. Twenty six chapters are completely new the remaining twelve chapters have been substantially revised to give readers access to the state of the art of interview research. Candy Darling Cynthia Carr, 2024-03-19 MONUMENTAL The New Yorker HEROIC The New York Times Book Review THRILLING Los Angeles Times PRISMATIC The Atlantic Winner of the National Book Critics Circle Award for Biography A Finalist for the the Los Angeles Times Book Prize A Best Book of the Year The New York Times Book Review NBC New York Kirkus Reviews The Brooklyn Public Library A Must Read Nylon The Minnesota Star Tribune Ms San Francisco Chronicle The Bay Area Reporter Town Country InsideHook W From the acclaimed biographer Cynthia Carr the first full portrait of the queer icon and Warhol superstar Candy Darling. You must always be yourself no matter what the price. Don't dare destroy your passion for the sake of others. The Warhol superstar and transgender icon Candy Darling was glamour personified but she was without a real place in the world. Growing up on Long Island lonely and quiet and queer she was enchanted by Hollywood starlets like Kim Novak. She found her turn in New York's early Off Off Broadway theater scene in Warhol's films *Flesh* and *Women in Revolt*.

and at the famed nightclub Max's Kansas City She inspired songs by Lou Reed and the Rolling Stones She became friends with Jane Fonda and Lily Tomlin borrowed a dress from Lauren Hutton posed for Richard Avedon and performed alongside Tennessee Williams in his own play Yet Candy lived on the edge relying on the kindness of strangers friends and her quietly devoted mother sleeping on couches and in cheap hotel rooms keeping a part of herself hidden She wanted to be a star but mostly she wanted to be loved Her last diary entry was I shall try to be grateful for life Cannot imagine who would want me Candy died at twenty nine in 1974 just as conversations about gender and identity were beginning to enter the broader culture She never knew it but she changed the world Brimming with all the fizz and wildness of New York in the 1960s and 70s this is the first biography of this extraordinary figure an unintentional pioneer who became an icon Cynthia Carr's Candy Darling is packed with tales of luminaries gossip and meticulous research laced with Candy's words and her friends recollections and signals Candy's long overdue return to the spotlight Includes 16 pages of color photographs Queer Airwaves: The Story of Gay and Lesbian Broadcasting Phyllis W Johnson, Michael C Keith, 2014-12-18 This book is both a retrospective history of the gay community's use of electronic media as a way of networking and creating a sense of community and an examination of the current situation an analysis and critical assessment of gay lesbian electronic media Keith and Johnson use original interviews and oral history to delineate the place of electronic media in the lives of this increasingly visible and vocal minority in America Reckoning Linda Hirshman, 2019 History of the struggle leading up to MeToo and beyond from the first tales of workplace harassment percolating to the surface in the 1970s to the Clinton Lewinsky scandal when liberal women largely forgave Clinton giving men a free pass for two decades Many liberals even resisted the movement to end rape on campus *Anything but Straight* Wayne Besen, 2012-07-26 The real story behind ex gay ministries and reparative therapy Nationally known activist Wayne Besen spent four years examining the phenomenon of ex gay ministries and reparative therapies interviewing leaders attending conferences and visiting ministries undercover as he accumulated hundreds of hours of research The result is *Anything but Straight* Unmasking the Scandals and Lies Behind the Ex Gay Myth a groundbreaking exposé of the controversial movement that's revered by independent religious groups and reviled by gay and lesbian organizations The book presents a historical perspective on the dispute examining ex gay groups such as Love In Action Exodus International Homosexuals Anonymous and profiling a cast of characters that includes Pat Robertson the Rev Jerry Falwell ex gay poster boy John Paulk National Association of Research and Therapy of Homosexuality activist Richard Cohen and psychiatrist Dr Robert Spitzer An in depth well researched and historically significant account *Anything but Straight* is full of startling facts and alarming surprises The original content and novel material in the book includes a first ever comprehensive history of the ex gay ministries and reparative therapy the inside story of the night the author photographed ex gay poster boy John Paulk inside a gay bar the author's discovery that Anne Paulk lied about being a lesbian and has admitted to having a strong attraction to men BEFORE she became ex gay

previously undisclosed bizarre techniques used by the ex gay ministries and reparative therapists the author's exclusive in depth interviews with leading ex gay leaders they disclose their deepest secrets hidden desires and true motivations an extraordinary new study that shows that most ex gay leaders have suffered from substance abuse or severe emotional problems while many ex gay leaders claim they were unhappy being gay this report helps prove that their dissatisfactions came not from their homosexuality but from poor life choices and irresponsible behavior new revelations that one of the nation's leading reparative therapists hailed from a secretive cult that was scandalized for practicing nude therapy From the author Through my extensive experience I have learned that the extraordinary claims made by the ex gay groups are without merit and the efficacy of their programs is dubious at best and harmful at worst One frequent question I get is Why can't gay activists simply leave ex gay groups alone and let them go about their business This is exactly what happened for nearly three decades while ex gay groups labored in near anonymity But all this recently changed when the ex gay groups intricately aligned themselves with the anti gay political agenda of the Religious Right With ex gays added to their arsenal the Right could disingenuously claim to love gay people and offer them hope for change while simultaneously fighting for punitive legislation Their insidious message Since gays and lesbians can change there is no need for laws that protect them against arbitrary prejudice Anything but Straight Unmasking the Scandals and Lies Behind the Ex Gay Myth is an essential read for activists on both sides of the ex gay fence family members of gays and lesbians Gay Bisexual Lesbian and Transgender church members psychiatric and social science professionals and anyone who has dealt with coming out issues An appendix of resources and a helpful bibliography make it easy to find additional information on this fascinating topic
