Linnets And Valerians:

Linnets and Valerians Elizabeth Goudge, Elizabeth Goudge, 1992 Left in the care of their strict grandmother the four Linnet children still have a happy summer with Uncle Ambrose his one legged gardener and the people of a small English village

Linnets and Valerians , Linnets and Valerians ... Illustrated by Ian Ribbons Elizabeth Goudge, 1964

Beyond the Snow Christine Rawlins, 2015-08-28 This is a much needed study of a remarkable life Elizabeth Goudge was not only a sensitive and acute artist in fiction but a profoundly insightful commentator on the processes of growing up spiritually and morally She fully deserves the kind of sympathetic and appreciative exploration provided by this book Rowan Williams 104th Archbishop of Canterbury Elizabeth Goudge once said she had done no exciting things none of the wonderful things that some people do Yet her achievement was wonderful From the stuff of her own life even the hard things like depression and nervous breakdown even the Christian faith that upheld her throughout she created best selling books that were read worldwide throughout the forty years of her career and are still being read today J K Rowling has said that her favourite childhood book was The Little White Horse recently filmed as The Secret of Moonacre Beyond the Snow is an appreciation of Miss Goudge's life and work that attempts to look beyond her memoirs by linking them to her books and letters and the recollections of family and friends It examines in particular her Christian faith and its illuminating influence on everything she did and was As Alan Walton said reviewing The Joy of the Snow there is nobody like her **The**

Runaways Elizabeth Goudge, 1996 First published 1964 as LINNETS AND VALERIANS Midnight Chicken Ella Risbridger, 2019-01-10 _____ Winner of the Guild of Food Writers General Cookbook Award 2020 _____

A manual for living and a declaration of hope Nigella Lawson Beautiful life affirming memoir with recipes The most talented British debut writer in a generation Sunday Times Brave and moving as effective as a manual for life as it is as a kitchen companion Shamil Thakrar co founder of Dishoom _____ There are lots of ways to start a story but this one begins with a chicken Because one night Ella found herself lying on her kitchen floor wondering if she would ever get up and it was the thought of a chicken of roasting it and of eating it that got her to her feet and made her want to be alive Midnight Chicken is the story of Ella's life in a Tiny Flat and the food she cooked there From roast garlic and tomato soup to charred leek lasagne or burnt butter brownies she shares recipes that are about people about love about the things that matter every day This is a cookbook of stories to make you fall in love with the world again With a new afterword about life after The Tiny Flat _____ An utter treat Dolly Alderton Divine Utterly totally perfect Charly Cox Generous honest and uplifting Diana Henry So thoughtfully and poetically written Josie Long She cooks like a dream and writes like an angel Sarah Phelps She has found a way to write not just about food itself but more importantly about the darkness for which cooking can be a partial remedy Bee Wilson _____ *Children's Culture and the Avant-Garde* Marilyn Strasser Olson, 2013-03-05 This volume explores the mutual influences between children's literature and the avant garde Olson places particular focus

on fin de siècle Paris where the Avant garde was not unified in thought and there was room for modernism to overlap with children's literature and culture in the Golden Age The ideas explored by artists such as Florence Upton Henri Rousseau Sir William Nicholson Paula Modersohn Becker and Marc Chagall had been disseminated widely in cultural productions for children their work in turn influenced children's culture These artists turned to children's culture as a new way of seeing allied to a contemporary interest in international artistic styles Children's culture also has strong ties to decadence and to the grotesque the latter of which became a distinctively Modernist vision This book visits the qualities of the era that were defined as uniquely childlike the relation of childhood to high and low art and the relation of children's literature to fin de siècle artistic trends Topics of interest include the use of non European figures the Golliwogg approaches to religion and pedagogy to oppression and motherhood to Nature in a post Darwinian world and to vision in art and life Olson's unique focus covers new ground by concentrating not simply on children's literature but on how childhood experiences and culture figure in art

Readers In Wonderland Deborah O'Keefe, 2004-08-03 O'Keefe examines a wide range of children's fantasy books and draws on her own experiences as a sympathetic reader as well as on the views of psychologists and social theorists *Readers in Wonderland* ranges from William Steig's small picture books to J R R Tolkien's epic series from utopias like L Frank Baum's Oz to dystopias like Virginia Hamilton's *Dustland* from less known works like Patricia Wrightson's to the phenomenon that is J K Rowling's Harry Potter from time travel to parallel worlds and from magical transformations and wishes that come true to lonely journeys and huge battles of good against evil

Historical Dictionary of Fantasy Literature Allen Stroud, 2023-06-12 Fantasy is both old and new In the ancient past stories of magic where supernatural creatures existed the

gods walked the earth and heroes saved their civilizations from the dark fate that awaited them were intermingled with history religion and fact It is only in the last few hundred years that a conscious suspension of disbelief has allowed us to return to fantasy the literature of the impossible and appreciate it for its craft and storytelling once more Historical Dictionary of Fantasy Literature Second Edition contains a chronology an introduction an extensive bibliography and cross referenced entries on more than 800 authors ranging across the entire historical spectrum More than 200 other entries describe the fantasy sub genres key images in fantasy literature technical terms used in fantasy criticism and the intimately convoluted relationship between literary fantasies scholarly fantasies and lifestyle fantasies This book is an excellent resource for students researchers and anyone wanting to know more about fantasy literature **The A to Z of Fantasy Literature**

Brian Stableford,2009-08-13 Once upon a time all literature was fantasy set in a mythical past when magic existed animals talked and the gods took an active hand in earthly affairs As the mythical past was displaced in Western estimation by the historical past and novelists became increasingly preoccupied with the present fantasy was temporarily marginalized until the late 20th century when it enjoyed a spectacular resurgence in every stratum of the literary marketplace Stableford provides an invaluable guide to this sequence of events and to the current state of the field The chronology tracks the evolution of fantasy from the origins of literature to the 21st century The introduction explains the nature of the impulses creating and shaping fantasy literature the problems of its definition and the reasons for its changing historical fortunes The dictionary includes cross referenced entries on more than 700 authors ranging across the entire historical spectrum while more than 200 other entries describe the fantasy subgenres key images in fantasy literature technical terms used in fantasy criticism and the intimately convoluted relationship between literary fantasies scholarly fantasies and lifestyle fantasies The book concludes with an extensive bibliography that ranges from general textbooks and specialized accounts of the history and scholarship of fantasy literature through bibliographies and accounts of the fantasy literature of different nations to individual author studies and useful websites **Nature's Masterpiece** Libby

Purves,2000-10-05 The family is nature s masterpiece George Santayana A compendium of practical advice and reflections on modern family life in the age of computer gaming ever younger drug and drink problems educational upheaval and concerns about the way children s freedom health and personal development are threatened by considerations of safety Libby also considers the maintenance of marriage in an age of rising divorce and stepfamilies a balanced approach to sexual threats to children and the dangers and opportunities for family life caused by dual careers teleworking and other trends in the modern workplace Each subject is treated with wit and brevity to make the book a delight to read as well as providing a fund of useful advice *Wisconsin Library Bulletin* ,1965 **The Confederate General Rides North** Amanda C.

Gable,2009-08-11 In this richly imagined utterly original debut a mother daughter road trip leads a young girl a precocious Civil War buff to a hard won understanding of the American history she loves and the personal history she inherits Eleven

year old Katherine McConnell is so immersed in Civil War history that she often imagines herself a general leading troops to battle When Kat s beautiful impulsive mother wakes her early one morning in the summer of 1968 to tell her they will be taking a road trip from Georgia to Maine to find antiques for a shop she wants to open Kat sees the opportunity for adventure and a respite from her parents troubled marriage Armed with a road atlas and her most treasured history books Kat cleverly charts a course that will take them to battlefields and historic sites and for her mother s sake she hopes bring them home a success But as the trip progresses Kat s experiences test her faith in her mother and her loyalty to the South bringing her to a difficult new awareness of her family and the history she reveres And when their journey comes to an abrupt and devastating halt in Gettysburg Kat must make an irrevocable choice about their ultimate destination Deftly narrated with the beguiling honesty of a child s perspective and set against the rich backdrop of the South during the 1960s *The Confederate General Rides North* gracefully blends a complex mother daughter relationship the legacy of the Civil War and the ache of growing up too soon *The New York Times Book Review* ,1965 *A Time to Read* Mary Ruth Wilkinson,Heidi Wilkinson Teel,2000-06 In a Time to Read Mary Ruth K Wilkinson and her daughter Heidi Wilkinson Teel have compiled a helpful guide to children s books More than bibliography A TIME TO READ also includes essays on the nature of children families literature and story and how these hold together in a Christian life reflecting Mary Ruth s 30 years experience teaching a literary and Christian approach to children s books *Catalog of Copyright Entries.
