Facing Decline, Finding Hope Jeffrey D. Jones, 2015-02-05 Church today isn't the same as it was fifty years ago or even ten years ago In spite of the powerful stories of turn around churches with skyrocketing memberships the difficult reality is that most congregations are getting smaller Jeffrey D Jones asks brave questions for congregations facing this reality what if membership growth isn't the primary goal for a church How can churches remain vital even with declining attendance Facing Decline Finding Hope is an essential resource to help congregations confront their shrinking size while looking towards the hopeful reality that God is calling them to greater faithfulness The book draws on biblical and theological resources as well as contemporary leadership studies to help leaders both clergy and laity set aside a survival mentality and ask new questions to shape ministry more attuned to today's world Facing Decline Finding Hope is a powerful book for leaders who want to honestly assess the size of their church and plan for faithful invigorating service regardless of whether membership numbers are up or down

Heart, Mind, and Strength Jeffrey D. Jones, 2008-12-08 Leadership observes Jeffrey Jones is never about you What happens to you as a leader stems from a vast array of issues and dynamics over which you have little or no control Leadership Jones also insists is always about you Christ's disciple part of the system an individual with your own anxieties and a personal life that shapes both your personhood and your relationships Heart Mind and Strength is about dealing with the tension between these two realities What we know is important So is who we are maybe even more so Of course admits Jones no book can tell us everything we need to know about leadership the what of it And certainly no book can shape our personhood the who of leadership Jones however shares both theoretical and practical insights that will inform the what and influence the who of your leadership in transformative ways Jones organizes the book around the daily practices of leadership treating it as both a skill and an art Heart Mind and Strength will enhance your practice of ministry by providing well grounded theory related to the practical concerns you encounter in the daily work of balancing what you know with who you are

Bandy,1997 Existing congregations and denominations are so addicted to self destructive practices that they cannot change until they admit their bondage These practices include a hunt for doctrinal purity on the theological right and a desire for political justice on the theological left The answer is a complete systemic transformation of congregation or denomination and consultant Tom Bandy offers twenty shocking truths that thriving churches have discovered Tom Bandy helps addicted churches kick their habits with the deconstruction of the existing system followed by an emphasis on small group ministry multi track worship experiences the retraining of enabling pastors and an abiding relentless sensitivity toward people who are seeking a Higher Power but who have lost patience with conflicted self absorbed religious institutions He argues in the final chapter on a theology of the thriving church that the gospel offers the culture welcome relief and not good news **Reconstructing Church** Todd Grant Yonkman,2014-08-06 The general decline of American mainline Protestant churches today is well documented Church redevelopment imagining and actualizing new life for dying churches is a productive and vital response to congregational decline but it can be daunting Here is guidebook for church leaders to help them reinvigorate their churches with both practical advice and tested theory A comprehensive case study of Beneficent Congregational Church which successfully turned the tide and quadrupled its worship attendance provides inspiration as well as concrete strategies for church redevelopment The study indicates that successful and faithful church redevelopment involves a shift from a modern patronage ministry model to a postmodern plural ministry model Building on current church redevelopment literature by bringing selected Biblical and theological texts into conversation with leadership concepts systems theory social sciences and congregational studies this book creates a multidisciplinary transformative conversation The result is both strategic proposals for growing your church and a model for doing practical theology in your own ministry context Dedicated trained leadership in cooperation with the power of the Spirit can create the possibility of new life in dying congregations *Unfreezing Moves* Bill Easum,William Easum,2010-10-01 Prepares Christian congregations to fulfill their basic function to make disciples who make disciples for Jesus Christ This book is about helping stuck and unstuck churches either become unstuck or constantly improve their ministry of making disciples This book is designed to help church leaders make profound changes in the way they do ministry or constantly practice methodological innovation improvement to be effective in creating disciples churches Canadian Books in Print ,2003 **Acts and Proceedings of the General Synod of the Reformed Protestant Dutch Church in North America** Reformed Church in America. General Synod,1998 Vol 1 a translation includes the period from 1771 1812 preceded by the Minutes of the C tus 1738 1754 and the Proceedings of the Conferentie 1755 1767 and followed by the Minutes of the original particular synod 1794 1799 *Transitional Ministry* Molly Dale Smith,2009-06-01 Transition is the word we use to describe the time following significant change In congregations that change might be the departure of the pastor a catastrophe such as Hurricane Katrina or 9 11 or simply

the changes caused by growth Transition calls for clergy with special training to respond to the needs generated by the special time Task training and time limit are the hallmarks of transitional ministry Trained intentional interim clergy must have the skill and experience to lead congregations during transition However transitional or interim ministry has a bad reputation in some places As one diocesan leader said We have never had a church in this diocese that was so bad off that an interim was needed Indeed there are some sick churches but most congregations have some good things happening and some things that need attention Intentional interim ministry can be medicine for the sick but in most cases it is better compared to vitamins that are taken to promote health This book seeks to clear up misconceptions about transitional ministry and present an accurate and up to date picture of transitional ministry and to describe the various settings in which this specialized ministry can be helpful Chapter authors all expert in transitional ministry in mainline Protestant denominations include Robert Friedrich John Keydel George Martin Loren Mead Barry Miller Nancy Miller Ineke Mitchell Ken Ornell Molly Dale Smith and Rob Voyle Canadian Books in Print 2002 Edited by Butler Marian, Marian Butler, 2002-02 Containing more than 48000 titles of which approximately 4000 have a 2001 imprint the author and title index is extensively cross referenced It offers a complete directory of Canadian publishers available listing the names and ISBN prefixes as well as the street e mail and web addresses **95 Questions to Shape the Future of Your Church** Thomas G. Clarke, 2017-11-30 Canadians were once church goers During the post war boom of the 1950s Canadian churches were vibrant institutions with attendance rates even higher than in the United States but the following decade witnessed emptying pews What happened In *Leaving Christianity* Brian Clarke and Stuart Macdonald quantitatively map the nature and extent of Canadians disengagement with organized religion and assess the implications for Canadian society and its religious institutions Drawing on a wide array of national and denominational statistics they illustrate how the exodus that began with disaffected baby boomers and their parents has become so widespread that religiously unaffiliated Canadians are now the new majority While the old mainstream Protestant churches have been the hardest hit the Roman Catholic Church has also experienced a significant decline in numbers especially in Quebec Canada s civil society has historically depended on church members for support and a massive drift

away from churches has profound implications for its future Leaving Christianity documents the true extent of the decline the timing of it and the reasons for this major cultural shift See, Know & Serve the People Within Your Reach Thomas G. Bandy, 2013-08-20 In See Know Serve Tom Bandy shows how the transition between Christendom and Post Christendom is unfolding at different speeds and with different twists in diverse regions and places and that this development makes standardizing ministry practices or using collections of best practices unsuccessful in growing God's mission Bandy presents startlingly new ways to view congregations and communities enabling leaders to understand the people within their reach on a granular level The author demonstrates with real world examples how organizations can translate this information into practical strategies and tactics The book includes helpful charts and diagrams making the material surprisingly easy to digest and share This important groundbreaking and convicting book lays out with depth and clarity a pioneering new way forward for every church and every mission focused organization Bandy shows how we can see the people in our communities with unparalleled clarity so that we can serve them fulfilling our mission effectively *Cultivating a People for God* Enoch Kwan, 2019-04-09 This is not just another book It is a long but timeless message better described as a theology of Discipleship I wish God had used someone else who is smarter to write this book and it may have come out sooner It took God 25 years for me to capture the bits and pieces while God taught me in time This book will show you God's heart and get you excited about fulfilling His plan You will find the simple way of integrating spirituality and ministry while pleasing God in all areas of your life and ministry The wide Scripture supported fresh philosophy and framework presented in this book will help you feel God's heartbeat It will elevate your perspective and build a stronger motivation for your church to engage with Christ's Great Commission You will discover the God inspired strategy for discipleship in the Commandments for the Great Commission You will discover how we may effectively cultivate and offer daily to God a People God awaits Your congregation will have time to enjoy life and God while fulfilling the Great Commission and maturing as Christians in God's inspired ways You will be glad to allow this book to jump to the front of your reading list as it may inject transformational elements to your other reading It is possible that the message presented in this book will spark a new movement for God's people Come join me in fellowship through this book and decide for yourself to see if you can be a part of this new and exciting journey
