Ryan Wright's new hockey team is a dumpster fire. He expects to lose games, not his heart. Ryan's laid-back attitude should be an advantage in Indianapolis. Even if he doesn't accomplish much on the ice, he can help his burned-out teammates off it. And no one needs a friend or a hug more than Nico Kirschbaum; the team's struggling would be superstar Nico doesn't appreciate that management traded for another openly gay player and told them to make friends. Maybe he doesn't know what his problem is, but he'll solve it with hard work, not by bonding with the class clown. It's obvious to Ryan that Nico is lonely, gifted, and cracking under pressure. No amount of physical practice will fix his mental game. But convincing Nico to let Ryan help means getting closer than is wise for Ryan's heart, especially once he unearths Nico's sense of humor. Will Nico and Ryan risk making a pass, or will they keep missing 100 percent of the shots they don't take. **No Matter What** David Allen Goodwin, 2003-04-14. Volume One of *No Matter What* told of the author's childhood and of the many experiences that prepared him for a lifetime of work with troubled kids and adults. The author admitted to being a mountain man and a cowboy, and Volume One blended those two lifestyles into his work building the Bar D ranch for boys. Volume One closed with the hint of an approaching political storm with the state and a mad woman's vengeful determination to close the Bar D. Volume Two of *No Matter What* picks up the author's story where the political storm grows into a full and fiery fury, leaving little but ashes and desolation. The author says of the fury, "The ornery blister won the battle, but she didn't win the war. After all, she did not have the power to take a life. Oh, she muddied the waters, some, but she couldn't stop the flow." Volume Two shares many traumatic and often humorous stories of a multitude of young people who have inhabited the author's life. He shares their stories and many of the secrets leading to their getting well. In 1998, during open heart surgery, the author

moved in and out of a near death experience He says it was not a near death experience because his medical records said he was dead The author believes the experience taught him many things which he cannot share at this time He did however recover enough to finish his long and distinguished career as a mental therapist The author and his wife Jenenne now live in Angel Valley with their faithful dog Pepper and their many horses This is the last word the author will write about the Bar D and the devastation that happened there It is yet a horrific memory but a memory that needs to be forgotten for that was then and this is now Many of the Bar D kids who grew to manhood there still write call or come to visit Those young men and woman who have filled the author s life with joyous times since the Bar D continue to share their progress and affection with him Those prophetic words Never say Die the flagship for No Matter What have well served the author and clients alike it is now time to move on
