The Selfie Generation Alicia Eler, 2017-11-07 Whether it s Kim Kardashian uploading picture after picture to Instagram or your roommate posting a mid vacation shot to Facebook selfies receive mixed reactions But are selfies more than as many critics lament a symptom of a self absorbed generation Millennial Alicia Eler s The Selfie Generation is the first book to delve fully into this ubiquitous and much maligned part of social media including why people take them in the first place and the ways they can change how we see ourselves Eler argues that selfies are just one facet of how we can use digital media to create a personal brand in the modern age More than just a picture they are an important part of how we live today Eler examines all aspects of selfies online social networks and the generation that has grown up with them She looks at how the boundaries between people s physical and digital lives have blurred with social media she explores questions of privacy consent ownership and authenticity and she points out important issues of sexism and double standards wherein women are encouraged to take them but then become subject to criticism and judgment Alicia discusses the selfie as a paradox both an image with potential for self empowerment yet also a symbol of complacency within surveillance culture The Selfie Generation explores just how much social media has changed the ways that people connect communicate and present themselves to the world

Selfies Craig Detweiler, 2018-04-03 Selfies are ubiquitous They can be silly or serious casual or curated Within moments smart phone users can capture their image and post it across multiple social media platforms to a global audience But do we truly understand the power of image in our image saturated age How can we seek God and care for each other in digital spaces Craig Detweiler a nationally known writer and speaker and an avid social media user examines the selfie phenomenon placing selfies within the long history of self portraits in art literature and photography He shows how self portraits change our perspective of ourselves and each other in family dynamics education and discipleship Challenging us to push past unhealthy obsessions with beauty wealth and fame Detweiler helps us to

develop a thoughtful biblical perspective on selfies and social media and to put ourselves in proper relation to God and each other He also explains the implications of social media for an emerging generation making this book a useful conversation starter in homes churches and classrooms Each chapter ends with discussion questions and a photo assignment for creating a selfie in response to the chapter

Exploring the Selfie Julia Eckel, Jens Ruchatz, Sabine Wirth, 2018-04-06 This volume explores the selfie not only as a specific photographic practice that is deeply rooted in digital culture but also how it is understood in relation to other media of self portrayal Unlike the public debate about the dangers of selfie narcissism this anthology discusses what the practice of taking and sharing selfies can tell us about media culture today can the selfie be critiqued as an image or rather as a social practice What are the technological conditions of this form of vernacular photography By gathering articles from the fields of media studies art history cultural studies visual studies philosophy sociology and ethnography this book provides a media archaeological perspective that highlights the relevance of the selfie as a stereotypical as well as creative practice of dealing with ourselves in relation to technology

Summary of Selfie by Will Storr QuickRead, Lea Schullery, An informational guide to the history of the idealized perfect self and the rise of a narcissistic generation obsessed with selfies and personal brands What's your idea of your perfect self Well our culture believes it's someone slim prosperous happy extroverted and popular Just take a look at your Instagram feed and you'll find a large portion of successful influencers portraying themselves in this way Even more you can become this person yourself the world is limitless and you are the source of your own success However this model can be incredibly dangerous to our self esteem and our society as we see an increase in depression and suicide But where did this modern ideal come from Who invented this idea of the perfect self Will Storr explores where this idea came from and transports us from the times of Ancient Greece to the self esteem evangelists of the 1980s to finally the rise of the selfie generation where he explores the increase of narcissism and individualism in today's youth and young adults Do you want more free book summaries like this Download our app for free at <https://www.QuickRead.com> App and get access to hundreds of free book and audiobook summaries DISCLAIMER This book summary is meant as a preview and not a replacement for the original work If you like this summary please consider purchasing the original book to get the full experience as the original author intended it to be If you are the original author of any book on QuickRead and want us to remove it please contact us at hello.quickread.com

Selfie Aesthetics Nicole Erin Morse, 2022-03-18 In *Selfie Aesthetics* Nicole Erin Morse examines how trans feminine artists use selfies and self representational art to explore transition selfhood and relationality Morse contends that rather than being understood as shallow emblems of a narcissistic age selfies can produce politically meaningful encounters between creators and viewers Through close readings of selfies and other digital artworks by trans feminist artists Morse details a set of formal strategies they call selfie aesthetics doubling improvisation seriality and nonlinear temporality Morse traces these strategies in the work of Zackary Drucker Vivek Shraya Tourmaline Alok Vaid Menon Zinnia Jones and Natalie

Wynn showing how these artists present improvisational identities and new modes of performative resistance by conveying the materialities of trans life Morse shows how the interaction between selfie creators and viewers constructs collective modes of being and belonging in ways that envision trans feminist futures By demonstrating the aesthetic depth and political potential of selfie creation distribution and reception Morse deepens understandings of gender performativity and trans experience

The Selfie, Temporality, and Contemporary Photography Claire Raymond, 2021-05-09 This book is a theoretical examination of the relationship between the face identity photography and temporality focusing on the temporal episteme of selfie practice Claire Raymond investigates how the selfie's involvement with time and self emerges from capitalist ideologies of identity and time The book leverages theories from Katharina Pistor Jacques Lacan Ragnvaldur Ingthorsson and Hans Belting to explore the ways in which the selfie imposes a dominant ideology on subjectivity by manipulating the affect of time The selfie is understood in contrast to the self portrait Artists discussed include James Tylor Shelley Niro Ellen Carey Graham MacIndoe and LaToya Ruby Frazier The book will be of interest to scholars working in visual culture history of photography and critical theory It will also appeal to scholars of philosophy and in particular of the intersection of aesthetic theory and theories of ontology epistemology and temporality

Mythomania: Tales of Our Times, from Apple to Isis Peter Conrad, 2017-01-10 Weaves ancient myth into modern celebrity and consumerist culture to expose the absurdity and occasional insanity of twenty first century society economy and politics Despite a proclaimed respect for scientific reason humans are still as intrigued by myth as their remote ancestors Laptops and smartphones are sold under a logo that invokes the forbidden fruit of the Garden of Eden skimpily clad classical nymphs cavort in TV reality shows Narcissus makes a comeback whenever we snap a selfie Mythical creatures such as handsome vampires abound in best selling novels Myth has also invaded the political realm now that terrorists brandish black flags and recite theological mantras as they martyr themselves In twenty seven self contained entries Conrad illuminates in his own remarkable way subjects from the British Queen to the Kardashians via Banksy vaping and the inception of the Large Hadron Collider In Judge Judy he shows a matronly Roman goddess dispensing justice with a fly swatter In the metamorphosis of Caitlyn Jenner from Olympic athlete and paterfamilias into idealized female form he finds parallels to the transformations of the residents of Mount Olympus Myths used to tell us where we came from Now alarmed but also elated by the pace of change in our society we need them to tell us where we are going

The Qualified Self Lee Humphreys, 2018-04-13 How sharing the mundane details of daily life did not start with Facebook Twitter and YouTube but with pocket diaries photo albums and baby books Social critiques argue that social media have made us narcissistic that Facebook Twitter Instagram and YouTube are all vehicles for me promotion In *The Qualified Self* Lee Humphreys offers a different view She shows that sharing the mundane details of our lives what we ate for lunch where we went on vacation who dropped in for a visit didn t begin with mobile devices and social media People have used media to catalog and share their lives for several centuries Pocket diaries photo albums and baby books are the predigital precursors of today s digital and mobile platforms for posting text and images The ability to take selfies has not turned us into needy narcissists it s part of a longer story about how people account for everyday life Humphreys refers to diaries in which eighteenth century daily life is documented with the brevity and precision of a tweet and cites a nineteenth century travel diary in which a young woman complains that her breakfast didn t agree with her Diaries Humphreys explains were often written to be shared with family and friends Pocket diaries were as mobile as smartphones allowing the diarist to record life in real time Humphreys calls this chronicling in both digital and nondigital forms media accounting The sense of self that emerges from media accounting is not the purely statistics driven quantified self but the more well rounded qualified self We come to understand ourselves in a new way through the representations of ourselves that we create to be consumed
