Kinderjaren En Jeugd Van Rn Roland Holst:

Kinderjaren en Jeugd Van R.N. Roland Holst. [With Portraits.]. Henriëtte van der SCHALK (afterwards HOLST (Henriëtte Roland)),1940 **Childhood, Memory and Autobiography in Holland** R. Dekker,2019-06-12 Between the 17th and 19th centuries auto biographers and diarists invented new ways to write about childhood and children At the same time pedagogical ideas about child rearing changed This book looks at the connection between these developments Egodocuments can bring the past alive and allow us to sketch six intimate portraits The second part of the book concentrates on the changes Childhood became more highly valued as a phase of life Children were taken more seriously This is shown in chapters on child s play punishment wet nursing and independence Around 1800 in diaries parents more openly grieved about the loss of a child which indicates both a change of literary conventions and changes in the way emotions were felt and expressed Finally autobiographers wrote more and differently about their early years and developed new memory strategies Autobiographical texts are discussed within a wider cultural setting using paintings poetry pedagogical tracts and novels This book makes clear how changes in autobiographical style the concept of childhood and the working of human memory are connected **Kinderjaren en jeugd van R. N. Roland Holst** Henriëtte Roland Holst-van der Schalk,1940 **Het jeugdwerk van Henriette Roland Holst-van der Schalk** Margaretha Maria Ariëns,1943 *Kinderjaren en jeugd van R.N. Roland Holst* H. Roland Holst,1915 **Johan Huizinga 1872-1972** W.R.H. Koops,2012-12-06 From 11 to 15 December 1972 a group of historians from many European countries assembled in Groningen to commemorate the centenary of Johan Huizinga s birth in that city on 7 December 1872 The conference was not intended simply as a tribute to the memory of a great historian but also as an attempt to assess the significance of his work for the present generation It was supported by generous grants from the Stichting oud studentenfond van 1906 at Groningen the Groninger Universiteitsfonds and the Ministry of Education and Science We are pleased to be able to publish all the papers read at the conference together with Dr Jansonius s study of Huizinga s style written for another occasion The material is presented in a roughly chronological order The first three papers which examine Huizinga s intellectual and literary points of departure are followed by another three dealing with The Waning of the Middle Ages A special paper is devoted to Huizinga s Erasmian studies The next three authors investigate the problems which preoccupied Huizinga during the 1930s Three final papers examine general aspects of his work Henriëtte Roland Holst J.
