Cavanaugh,2014-12-02 eBooks offer students as well as teachers school and public librarians and parents tremendous possibilities This book explains how to expand and enhance the reading experience through the use of technology Today

eBooks are everywhere and the use of digital learning materials is beginning to supplant traditional printed materials. As the world shifts to digital books, both teachers and students need to be comfortable and effective using materials in this format. This book helps you to apply eBook materials to existing curricula to create interactive educational activities and have access to more materials to support reading instruction, literacy standards, and reading in the content areas. Author Terence W. Cavanaugh, an expert on teaching with technology, describes numerous strategies for integrating eBooks into reading instruction and remediation for students in preschool through grade 6. He covers the hardware and software used, the wide range of formats available, and research conducted on the use of eBooks with students, as well as how to access free resources such as digital libraries and special collections that make eBooks available for schools. The book also contains a chapter dedicated to using eBooks to help emergent or struggling readers. *The Kindle Pocket Guide* Scott McNulty, 2009-11-16. The e-book guide for publishers: how to publish EPUB format, eBook readers, and suppliers. An electronic book, also e-book, eBook, electronic book, digital book, is a book-length publication in digital form, consisting of text, images, or both, and produced on, published through, and readable on computers or other electronic devices. An e-book can be purchased, borrowed, downloaded, and used immediately, whereas when one buys or borrows a book, one must go to a bookshop, a home library, or public library during limited hours or wait for a delivery. Electronic publishing, or ePublishing, includes the digital publication of e-books and electronic articles and the development of digital libraries and catalogues.
