King Jersey Steve Roberts:

The King of Jersey Steve Roberts, 2015-12-09 Chris was no longer the same loser from Jersey High Sitting alone on the edge of his throne overlooking the scandalous city he was struggling with the memories of a haunting past that included an abusive father beatings and a distrust of even the closest people surrounding him But it took one humiliating graduation party to lead him into an underground world of drugs gang wars and political corruption Set in the late 80s when the war against drugs was beginning to collapse The King of Jersey follows Chris as he becomes a small time dealer He encounters the accidental death of a friend s girlfriend a revenge killing and a murder that he himself can t avoid participating in He soon learns that death the sacrifice of friendships and even backstabbing by those once loyal to each other are the casualties along the path he has chosen Entering the high life of the international drug trade Chris finds a way to sell gold seal hash the sexiest drug on the streets of Jersey to become a kingpin in a flashy underworld of clubs thousand dollar a night hookers wealth and power that deteriorates everyone that touches it He never really wanted any of this even though it made him grow into a man the man he never wanted to be Chris himself becomes a potential casualty in his new life when he uncovers the truth about a failed hit Now he must run from the game and leave this dangerous life forever before vengeful rivals and powerful political thugs find him
