Green, 2003-12-02 New York Times bestselling author Simon R Green returns to the Deathstalker universe in an action packed adventure featuring a new hero worthy enough to

follow in the footsteps of the galaxy's most legendary warrior Owen Deathstalker sacrificed his life to save all of humanity. In the hundred years since his passing the Empire has prospered in a Golden Age of peace among aliens, humans, and AIs with hope and liberty for all. Now on the human homeworld of Logres, a new king is about to be crowned. Douglas Campbell has no enthusiasm to ascend the throne. As a Paragon, he enforced the King's Justice and so prefers the path of warrior to ruler. But as the sole remaining heir, he puts aside the desires of his heart and picks up the reins of duty. His first act upon being crowned is to select Lewis Deathstalker Owen's descendant as his Champion and protector. The new regime already has an insurmountable task before it: the Artificial Intelligences of Shub insist on entering the Madness Maze to uncover the secrets of transcendence that humanity has failed to do for hundreds of years, and they will not take no for an answer. But even more threatening is one man's desire for a revenge that will unite all of the enemies of the Empire in an attempt to bring the Golden Age into ruin. From the Paperback edition. Representing the Rainbow in Young Adult Literature Christine A.

Jenkins, Michael Cart, 2018-03-20. Discussions of gender and sexuality have become part of mainstream conversations and are being reflected in the work of more and more writers of fiction, particularly in literature aimed at young adult audiences. But young readers, regardless of their sexual orientation, don't always know what books offer well-rounded portrayals of queer characters and situations. Fortunately, finding positive role models in fiction that features LGBTQ themes has become less problematic, though not without its challenges. In Representing the Rainbow in Young Adult Literature, LGBTQ Content since 1969, Christine Jenkins and Michael Cart provide an overview of the literary landscape. An expanded version of The Heart Has Its Reasons, this volume charts the evolution of YA literature that features characters and themes which resonate not only with LGBTQ readers but with their allies as well. In this resource, Jenkins and Cart identify titles that are notable either for their excellence, accurate, thoughtful, and tactful depictions, or deficiencies: books that are wrongheaded, stereotypical, or outdated. Each chapter has been significantly updated, and this edition also includes new chapters on bisexual, transgender, and intersex issues and characters, as well as chapters on comics, graphic novels, and works of nonfiction. This book also features an annotated bibliography and a number of author/title lists of books discussed in the text that will aid teachers, librarians, parents, and teen readers. Encompassing a wider array of sexual identities, Representing the Rainbow in Young Adult Literature is an invaluable resource for young people eager to read about books relevant to them and their lives.

And maybe if she can get her popular jock neighbor Brad Kirkpatrick to be her homecoming date, her classmates will stop calling her a freak. In this heartwarming and humorous debut.

[Short Stories From The Library of Wayne King Livingston](#) Wayne King Livingston, 2011-06-10. The stories you are about to read are from traveling and a culmination from eight years of my wife and I living among the people in lands of rich stories, not excluding Ireland. It has given me great joy to write of our adventures in a format that takes the best of times, stirred with some pathos of fallen friends, and then mixed into the tales within. These reminiscences will be treasured by my wife Pat and I forever. No one character is represented in his or her entirety, and no narrative can be said to be an actual event. These storied chapters herein capture our lives as it might have happened. I have pasted the wonderful characters together from all the many vignettes we encompassed while dwelling amongst one of the most reflective societies today. Not reflective in some lofty sense, but as in a mirror of life that needs the rich, loamy land and vibrant countryside to place one's heart into Ireland, with not much doubt is the last and most beautiful, virginal country left today. Thanks to flying, there are many corners and stories on this earth that I have seen and wrote about of great exotic beauty and depth, but the endowments of pastoral Ireland leave
