as a minor government staff official during the Zulu and Boer Wars and the Allan Quatermain character was based on the colorful adventurers he encountered there Other elements of the story were influenced by the discoveries of the diamond fields and the ruins of ancient civilizations occurring around that time Returning to England Haggard married and became a member of the bar but soon took up writing full time Haggard wrote several popular novels while traveling to various parts of the Empire working for land reform Like many Victorians he dabbled in spiritualism and the paranormal His most enduring characters Allan Quatermain and Ayesha were brought together in *She and Allan* his last major work *King Solomon's mines* Henry Rider Haggard,1982 [Forthcoming Books](#) Rose Arny,2002-02 **King Solomon's Mines by H. King Solomon's Mines Sir H. Rider Haggard, 2020-08-04

It is a curious thing that at my age, fifty-five, last birthday I should find myself taking up a pen to try to write a history. I wonder what sort of a history it will be when I have finished it. If ever I come to the end of the trip, I have done a good many things in my life which seems a long one to me, owing to my having begun work so young, perhaps. At an age when other boys are at school, I was earning my living as a trader in the old Colony. I have been trading, hunting, fighting, or mining ever since. And yet it is only eight months ago that I made my pile. It is a big pile now that I have got it. I don't yet know how big, but I do not think I would go through the last fifteen or sixteen months again for it, no, not if I knew that I should come out safe at the end of the pile and all. But then I am a timid man and dislike violence; moreover, I am almost sick of adventure. I wonder why I am going to write this book; it is not in my line. I am not a literary man, though very devoted to the Old Testament and also to the Ingoldsby Legends. Let me try to set down my reasons, just to see if I have any.

First reason: Because Sir Henry Curtis and Captain John Good asked me.
