Called to Cultivate Chelsea Patterson Sobolik, 2023-10-03 Grasping the dignity and significance of women and work Women are an integral part in God's call to work to create and advance God's kingdom But work looks different for each one of us Whether in the home with children or in a professional environment or some combination of all of these women are cultivating a world of beauty truth and hope But it's not easy We have doubts and dreams questions and concerns Chelsea Patterson Sobolik provides a robust theological foundation as she engages with our most pressing questions How do I glorify the Lord with my work How do I balance work and life Is it wrong for me to pursue my career ambitions What does it mean to be a Christian in the workplace How do I respectfully stand up for myself at work How do I discern my calling Work whether it's professional or in other avenues of society is an act of cultivation that involves developing something or someone to be better Even if you don't receive a paycheck you're still working Caring for children and homes volunteering in our communities leading a Bible study or caring for aging parents is God-given work Chelsea faithfully engages with our questions and provides practical rhythms that women can incorporate into their lives to flourish in their work *Practicing*

the King's Economy Michael Rhodes, Robby Holt, Brian Fikkert, 2018-04-17 The church in the West is rediscovering the fact that God cares deeply for the poor More and more churches and individual Christians are looking for ways to practice economic discipleship but it's hard to make progress when we are blind to our own entanglement in our culture's idolatrous economic beliefs and practices Practicing the King's Economy cuts through much confusion and invites Christians to take their place within the biblical story of the King Jesus Economy Through eye-opening true stories of economic discipleship in action and with a solid exploration of six key biblical themes the authors offer practical ways for God's people to earn invest spend compensate save share and give in ways that embody God's love and provision for the world Foreword by Christopher J. H. Wright *The Kingdom of God in Working Clothes* R. Paul Stevens, 2022-08-05 Work occupies most of our waking time whether it is in a factory office school or at home But unfortunately most people of faith separate their working life from their

worshipping life Dualism is a pernicious heresy that has infected believers worldwide namely that church work and missionary service are holy and our everyday work is secular In this timely volume Stevens explores the connection of the kingdom of God the master thought of Jesus with the marketplace Traditionally people have either related the kingdom of God God's new world coming either exclusively for the present or only for the distant future But it is both now and coming This gives meaning hope and endurance to our work in the world So daily labor in the marketplace gets reoriented through salty values and ingrained virtues We become double agent spies exploring the new world coming in everyday life We can also grapple helpfully with the resistance we face daily in the workplace There are many books on the kingdom of God and many on work Few have brought these two vital arenas of everyday service together It is indeed part of the good news

Immanuel Labor—God's Presence in Our Profession MSG Russell E. Gehrlein US Army Ret.,2018-02-28 Here is a fresh comprehensive Christian perspective on work This is a solid introduction to this critical subject It is especially geared toward those in need of God's guidance on finding the right career and how to integrate their faith with the job It is well grounded in scripture contains numerous inspirational quotes from other Christian leaders offers practical wisdom and includes many personal illustrations Topics consist of the value of everyday work thorns and thistles the eternal value of work finding a job that fits how we are to work and implications for those in ministry It includes a helpful index of three hundred scripture references and questions for group discussion or personal reflection This book will expand your view of how God can use your unique abilities in the workplace and how his presence at work makes all the difference *Story Work/Story Play* Mary LaMont,2023-05-02 A central assumption of narrative spirituality is that the act of retelling the story of episodes of our lives can help us better see the larger Guiding Story that God dreams for us When I can see my Guiding Story more clearly I am better able to handle crisis and transition and better able to see my true purpose Story Work Story Play lays out a four door method of spirituality that invites participants to explore their Guiding Story through four doors that correspond to the four parts of any story a main character a problem to solve the power needed to solve it and the action taken by the main character The chapter for each of these four doors provides theological psychological and scriptural foundations for the narrative method and includes up to ten to fifteen story work story play exercises the reader can use to practice the method Each chapter also includes profile stories of real people who have discovered layers of their own Guiding Stories The book ends each chapter with a Guided Visualization The book's final chapter explains how members of a narrative circle can use the narrative spirituality tools of this book to discern each one's own unique Guiding Story Faith in the Marketplace Samuel Lee,2021-04-12 Contemporary missions often include evangelistic and socio economic dimensions For effective missions some way of assessing what is being achieved is needed beyond just the common metrics touching on the spiritual and or economic which neglects social transformation that ideally should also be occurring This book seeks to identify key factors for holistic evaluation based on salient characteristics that emerged as three Entrepreneurial Church Planting sites

were studied in San Francisco Redeemer Community Church Selma Alabama Blue Jean Church and Lynch Kentucky Meridzo Ministries What emerges from these case studies is the importance of relationality general emphasis on growth and development and a well established focus on holistic transformation The mechanisms for the operation of holistic transformation are spelled out to reflect the operation of the three actors of the Trinity in missions The practical component of the book is the conceptual framework that reveals the operation of holistic transformation and ways to measure the dynamic relationships that occur

Return to the Parish David Horn, Jason R. McConnell, 2022-11-04 Return to the Parish The Pastor in the Public Square is a pastoral theology that challenges pastors to view their local community rather than their congregation as their primary sphere of ministry Too many churches have become insular by hoarding their resources including their pastors and trying to sustain their own survival instead of seeking the peace and prosperity of their town or city By breathing new life into an old idea of parish this book casts a vision for pastors and churches to actively engage their community with the gospel rather than simply perpetuate more programs inside the church It offers a new paradigm for pastoral ministry where pastors model and mobilize their churches to make disciples of Jesus Christ in the public square through community involvement and cultural engagement The book chronicles seven young pastors from diverse ministry contexts as they seek to become new parish pastors who lead their congregations into engaging various sectors of the public square business and workplace science and technology healthcare politics education the arts and multiethnic settings

The Influence of the Church on the Local Community Abraham G. Ndung'u, 2021-01-05 The church is called to be the agency through which God is not only known but through which his kingdom is also advanced This book therefore is an attempt to examine the church's influence on communities through social justice practices as part of advancing the gospel of the kingdom of God The book brings out results of a study about a congregation's significant impact on a local community through varied social justice programs The book also provides relevant recommendations on how such initiatives can be improved for a more effective kingdom driven ministry to local communities It is hoped that the example of J Jireh Ministry Church provides a case worthy of emulation by other churches congregations and similar faith based community organizations for ministering to social justice needs at the local level

The Sacredness of Secular Work Jordan Raynor,2024-01-30

From a leading voice in the faith and work movement and author of *Redeeming Your Time* comes the revolutionary message that God sees our daily work in whatever form it takes with far more value than we ever imagined. *The Sacredness of Secular Work* does an extraordinary job of being both personally relevant and more importantly biblically faithful. Randy Alcorn, New York Times bestselling author of *Heaven*, does your work matter for eternity? Sadly, most believers don't think so. Sure, the 1 percent of the time they spend sharing the gospel with their co-workers matters. But most Christians view the other 99 percent of their time as meaning very little in the grand scheme of things. But that's not how God sees it. Jordan Raynor, a leading voice in the faith and work movement and bestselling author, offers a revolutionary message about how our daily jobs, from baristas and entrepreneurs to stay-at-home parents and coaches, have intrinsic and eternal value. In *The Sacredness of Secular Work*, he reveals unexpected ways our work truly matters. In these pages, you'll discover how a low regard of our work limits our understanding of God and His Kingdom. Inspiring ways your work can reveal God's kingdom on earth, here and now. Surprising strategies for ensuring your vocation has an eternal legacy. Vital insights on what God's view of work tells us about heaven. Combining research, Scripture, and storytelling, Jordan Raynor proves that work in its diverse forms is one of the primary activities that brings God delight. This biblical perspective will set you free to pursue your passions and skills and perhaps for the first time, experience the Creator's delight in the work of your hands. [Leadership as Loving One Another](#)

Leadership as Loving One Another Bruce E. Winston, 2024-03-29 This volume explores leadership as a form of loving one's employees, centering on the biblical concepts of *Agapao* and *Agape*. It is organized into three parts: Part 1 examines biblical principles about *Agapao* and *Agape*; Part 2 employs Positive Organizational Scholarship (POS) to identify the role of love in organizational contexts; Part 3 offers case studies illustrating instances of love demonstrated by biblical figures in organizational and familial settings. Aligned with POS research, the book accentuates positive life-giving and conditions fostering human flourishing within organizations. This scholarly endeavor contributes to advancing research in areas such as work relationships, workplace spirituality, meaningful work, and the role of leadership in improving organizational performance. **Quick Scripture Reference for Counseling**

Working Blessedly Forever, Volume 1 R. Paul Stevens, 2024-02-20 Work, whether from home in cyberspace or in a factory or office, occupies a major chunk of our time, energy, and soul. This book seeks to make sense of our work in the world through adapting the pithy statement of the Puritan William Perkins to define marketplace theology as the science of working blessedly forever. It is a science involving investigation, but not just with the head, thought, but also with heart, prayer, and hand, practice. But it is a science of working. So the book investigates a theology

of work undertaken in the light of God's blessing and purpose And our work is not just for this life but forever since some of it could last into the new heaven and new earth where guess what Scripture says we will work as fully human and resurrected beings Stevens gathers his lifetime of research and teaching into this book showing through biblical research and contemporary analysis the meaning of work and human enterprise It could change your lifestyle your work style and your soul
