Kids Attitude In A Jar:

Don't Give Me That Attitude! Michele Borba, 2004-03-11 Does your kid never take no for an answer and demand things his way? Do her theatrics leave you drained at the end of the day? Are you resorting to bribes and threats to get your kid to do chores? Does he cheat, complain or blame others for his problems? Do you feel you're running a hotel instead of a home? Are you starting to feel like your child's personal ATM machine? What happened? You thought you were doing the best for your child and didn't set out to raise a selfish insensitive spoiled kid. In her newest book *Don't Give Me That Attitude*, parenting expert Michele Borba offers you an effective practical and hands-on approach to help you work with your child to fix that very annoying but widespread youthful characteristic attitude. If you have a child who is arrogant, bad-mannered, bad-tempered, a cheat, cruel, demanding, domineering, fresh, greedy, impatient, insensitive, irresponsible, jealous, judgmental, lazy, manipulative, narrow-minded, noncompliant, pessimistic, a poor loser, selfish, uncooperative, ungrateful or unhelpful, this is the book for you.

What Do You Stand For? For Teens Barbara A. Lewis, 2005-11-15 Young people need guidance from caring adults to build strong positive character traits, but they can also build their own. This book by the best-selling author of *The Kid's Guide to Social Action* invites children and teens to explore and practice honesty, kindness, empathy, integrity, tolerance, patience, respect, and more. Quotations and background information set the stage. Dilemmas challenge readers to think about, discuss, and debate positive traits. Activities invite them to explore what they stand for at school, at home, and in their communities. True stories profile real kids who exemplify positive traits; resources point the way toward character-building books, organizations, programs, and Web sites.
