COUNSELOR Dr Sortino demonstrates how teaching at risk children begins when you attach the child's social consciousness to education. We can all learn a great deal from this true story. MIDDLE SCHOOL TEACHER David Sortino demonstrates in *The Promised Cookie* that being a true educator describes who we are not what we do. It is an artful dance in which both parties must be willing to give and to receive. This inspirational story has reminded me that every day we as teachers, parents or guardians have the opportunity to be an angel for a child. Through *The Promised Cookie* Dr Sortino gives us a glowing invitation to be better. PRIMARY GRADE SCHOOL TEACHER *A Practical Manual of Pediatric Cardiac Intensive Care* Rakhi Balachandran, Aveet Jayant, R Krishna Kumar, 2021-08-31 Sect 1 General Topics Sect 2 Cardiac Lesion Specific Postoperative Management Sect 3 Common Complications Sect 4 Miscellaneous Topics **Get a Clue!** Ellen Rosenberg, 2025-09-23 This practical companion to *Reviving Ophelia* and *Real Boys* shares the concerns of preteens in their own words and advises parents how to approach them confidently and effectively. Many parents may not want to know that their eight to fourteen year olds are already facing serious issues and have questions such as Why do people make fun of me because I am from another country? When will I know when puberty has struck? How do I deal with the feeling that no matter how good I do it's not good enough for my parents? What happens when a friend beats you up? Without support, understanding and assistance, the anxiety these dilemmas evoke could undermine a child's confidence and self image as he or she matures. In a reassuring style filled with practical pointers, Ellen Rosenberg, veteran educator of thirty years, tells parents how to open a discussion on the day to day questions their preteens have but may be reluctant to share. Handwritten queries from preteens are included in the text and as they attest, your children do want you to know what's really going on. A communication bible that parents will return to again and again, *Get a Clue!* is sure to help parents and their children become closer and form a bond of trust that will last through middle school, high school, college and beyond. *Discipline That Connects With Your Child's Heart* Jim Jackson, Lynne Jackson, 2016-09-20 A Powerful Approach to Bringing God's Grace to Kids. Did you know that the way we deal or don't deal with our kids' misbehavior shapes their beliefs about themselves, the world and God? Therefore it's vital to connect with their hearts, not just their minds, amid the daily behavior battles. With warmth and grace, Jim and Lynne Jackson, founders of Connected Families, offer four tried and true keys to handling any behavioral issues with love, truth and authority. You will learn practical ways to communicate messages of grace and truth, how to discipline in a way that motivates your child and how to keep your relationship strong, not antagonistic. Discipline is more than just a short term attempt to modify your child's actions; it's a long term investment to help them build faith, wisdom and character for life. When you discover a better path to discipline, you'll find a more well behaved and well believed kid. *The Everything Parent's Guide to the Overweight Child* Paula Ford-Martin, 2005-04-01 A Simon Schuster eBook.
