Veiled Secrets Shawn McGuire, 2019-02-19 In Whispering Pines Halloween horrors involve more than goblins and ghouls With only a smattering of tourists visiting the village for the Samhain feast Jayne is excited no She's looking forward to no Jayne is guardedly optimistic about spending a few days with her demanding sister Then a boy goes missing during trick or treating and everything changes The parents aren't worried Their son does this they say With a storm bearing down on the village though Jayne isn't content to dismiss this as a case of a curious kid off exploring the woods Organizing a search and rescue mission gives her plenty to deal with but then the word kidnapped is mentioned and brings her sister's long buried nightmare into the light forcing Jayne to divide her attention at the worst possible time

The Loft Generation Edith Schloss, 2021-11-16 A bristling and brilliant memoir of the mid twentieth century New York School of painters and their times by the renowned artist and critic Edith Schloss who from the early years was a member of the group that shifted the center of the art world from Paris to New York The Loft Generation From the de Koonings to Twombly Portraits and Sketches 1942 2011 is an invaluable account by an artist at the center of a landmark era in American art Edith Schloss writes about the painters poets and musicians who were part of the postwar movements and about her life as an artist in New York and later in Italy where she continued to paint and write until her death in 2011 Schloss was born in Germany and moved to New York City during World War II She became part of a thriving community of artists and intellectuals that included Elaine and Willem de Kooning Larry Rivers John Cage and Frank O'Hara She married the

photographer and filmmaker Rudy Burckhardt She was both a working artist and an incisive critic and was a candid and gimlet eyed witness of the close knit community that was redefining the world of art In Italy she spent time with Giorgio Morandi Cy Twombly Meret Oppenheim and Francesca Woodman In The Loft Generation Schloss creates a rare and irreplaceable up close record of an era of artistic innovation and the colorful characters who made it happen There is no other book like it Her canny observations are indispensable reading for all critics and researchers of this vital period in American art

Children's Books from Other Countries Carl M. Tomlinson, United States Board on Books for Young People, 1998 Every child is entranced by the magic of story regardless of national boundaries Many of the most memorable childhood stories have their origins in other countries Exposing children to this multi national body of literature introduces them to the great diversity of people and cultures that populate the world at a young age enabling them to become more thoughtful and generous individuals Children s Books from Other Countries is a complete and current guide to international children s literature The concept of a bibliography of international children s literature is not new In the past many books have accomplished this task The last two decades however have not yet produced a current reference source devoted to international children s books Children s Books from Other Countries wonderfully rectifies this lack of attention An introductory essay provides an overview of the field including a discussion on the rationale of sharing international books with children a brief history of the children s literature movement related books and awards and basic information about the International Board on Books for Young People IBBY and its American branch the United States Board on Books for Young People USBBY An annotated bibliography contains over 700 titles from 29 different countries printed between 1950 and 1996 All titles are available in English many have been translated and others have originated in other English speaking countries The titles are organized by genre and have been selected for their high quality They are primarily targeted for children ages 0 14 although a few outstanding young adult titles are included Winners

of the Mildred Batchelder Award and the Hans Christian Andersen Medal are listed in the appendix Indexes include Author Title Index Country of Origin Index and Subject Index Affordable and readable this timely resource is certainly a must for librarians and teachers and other professionals working with children Sponsored by the United State Places of Childhood Fancy Michael G. Cornelius, Marybeth Ragsdale-Richards, 2023-01-11 Many of us grew up exploring fascinating worlds in books films and most importantly our imaginations places filled with mythological characters and magical landscapes where we had stunning experiences punctuated by the harmless pleasures that any child's mind can conjure These worlds sometimes end up in our childhood fictions which have in turn shaped countless imaginations and childhood adventures The essays in this book attempt to comprehend the worlds of children's progressive fiction from how they are created to how they affect readers This book explores what happens when speculative genres fantasy horror and science fiction and imaginative spaces collide headlong with the realities and surrealities of modern childhood It moves back and forth between Oz Wonderland Redwall and Fear Street and explores series such as Nancy Drew Inkheart The Mortal Instruments the Miss Peregrine series and more Many of these works feature children who must save the day to stop the bad guy kill the monster complete the quest and rescue adults leading us to wonder if fantastic spaces in children's progressive fiction are really helping kids prepare to save the world rather than helping them temporarily escape it
