## **Kill Procrastination:**

**Stop Procrastinating and Get Things Done: Teach Yourself Ebook Epub** Adrian Tannock,2012-11-09 Do you ever find yourself putting off something that you need to do but you don't want to do Even though you know you are doing it And even though it makes you feel guilty If so you are one of millions of procrastinators and this book can help you Unlike other books on the subject it starts by explaining the common causes of procrastination which can range from the psychological fear of failure or performance anxiety to the practical the task is boring or repulsive This understanding will form the first step of your journey from procrastination to productivity a journey in which you will be accompanied all the way by Adrian Tannock an ex procrastinator who is now a prolific author and coach with qualifications in hypnotherapy and NLP *Step into Your Place* C. C. Okonkwo,2015 This book is an inspirational and motivational masterpiece produced out of enthusiastic belief in the human capacity and strong desire to motivate people to take advantage of their superiority identity over adversity to take charge and control of their lives C C shows you the following in this book Hero in you Seven colors of your rainbow Power of your mind Believe model that works This book stirs your passion for preparation persistence and insistence You have an even greatness possibility within you Unleashed Francis Agbo,2015-10-14 Are you tired of mediocrity average the status quo the norm or the usual If you are then you are primed for your next level However after you are primed for the next level you need to make yourself ready for the next level God did not create anybody a loser or failure God is too good to do that God created all of us winners Everybody can win and everybody can live a winning life and constantly too There is a winner inside you You are born to win but to win you must know how to win You can be everything that God wants you to be and do everything that He wants you to do if you know how There is a winner in you but you need to release him or her for the benefit of your world and to the glory of God The book Unleashed unfolds time tested principles from the infallible and unfailing Word of God on how you can unleash the winner in you **I Murdered Procrastination** Keisha Wayne,2018-06-06 Have you ever promised yourself you will begin a task on a certain day but you postponed it to another day Do you have goals you want to complete but you can't seem to find the time Whats keeping you from starting that project Are you a Procrastinator Well I too was a Procrastinator Matter of fact I had a Passion for Procrastination In this book I shared the P's that helped me kill Procrastination And I Pray this book will help you as well It's time to be a Finisher **A Procrastinators Guide To Ultimate Productivity** Cris Thompson-Cross,2022-07-20 Productivity is often a misunderstood concept Being productive isn't necessarily about accomplishing more but rather it's about investing your time and attention in a more strategic way to add value to your career life and relationships If you're like most people you probably wish that you could be more productive in your life However one thing that you may have failed to consider is the reason and motivation that drives you to work toward accomplishing your goals *Act Now!* Kasumi Shikishima, You already know what needs to be done You've read the theories heard the advice and maybe even set your goals So why are you still stuck Why

does change feel so far away The truth is harsh but simple knowledge without action is useless Act Now is not a feel good motivational pamphlet It s a direct no nonsense manual for turning ideas into execution Written in a bold confrontational style designed to push you past hesitation this book dismantles your excuses one by one and forces you to face the uncomfortable reality you don t need more motivation you need momentum In approximately 13 000 words of sharp focused insight this book walks you through the four mental pillars that separate action takers from dreamers Time is Non Negotiable Every second you waste is gone forever The clock doesn t stop for fear doubt or overthinking Learn how to stop procrastinating and start respecting your time like the scarce precious resource it is Action Beats Planning Planning feels productive It feels safe But until you take that first step you re just pretending Discover how to escape the paralysis of analysis and move forward imperfectly urgently relentlessly Think Less Do More The world doesn t reward people who overthink It rewards those who take risks start messy and improve along the way This section teaches you how to outpace your fear by training your brain to act before it hesitates Consistency Is Your Superpower You don t need overnight transformation You need daily proof One percent improvement every day might look small until a year has passed and you ve completely changed your life This chapter gives you the practical tools to build habits that don t die after the honeymoon phase Whether you re trying to start a business reinvent your health write that book or finally live a life aligned with your values this book offers a blunt energetic and actionable roadmap to get you moving No fluff No filters No mercy You re not failing because you re not capable You re stuck because you re still waiting For motivation For certainty For confidence But none of those will show up until you move first So what are you going to do now This book won t hold your hand But it will push you forward The rest is up to you
