

KILLER IN THE MIST - II

RETURN TO LONG BROOK

STEVE WHITMAN

Killer Mist Return Long Brook

Wayne P. Crawford

Killer Mist Return Long Brook:

Clouds End Sean Stewart, 2018-01-16 This spellbinding fantasy weaves the tantalizing tale of a young woman's struggle against her supernatural twin. But when the mystical island of Clouds End comes under attack by the invading forces of a mad emperor, the pair must forge an uneasy alliance to defend their home. Stewart's beautifully lucid poetic prose makes for a narrative of commanding power and enchantment that echoes the best of Le Guin and Tolkien. Booklist *Deadly Exchange* Wayne P. Crawford, 2003-06-10 The main character in CYBER TREK is called Mankin. Yes Mankin, not Mankind. He is like our inner correcting force, observing all things but made few comments. The following is a concise insight into CYBER TREK. Migrants left their island homes with great hopes and found otherwise. Culture shock treated in a light-hearted manner. Discussion of the stifling British old boys system on the island, a time when the advantaged brown-skinned colonialists emulated the British and practiced a fiercer type of social exclusion against the disadvantaged Blacks. Marcus Garvey's legacy and the Rastafarian Movement. Beating down Babylon. Authentic Jah discussions. Changing Caribbean politics. Jamaica specific and the rise of the notorious gunman. Return of the deportees and the old political Father confessors. The old conniving politicians whom now want to confess their misdeeds. Poking fun at the system and its leadership in some instances it is not really funny. Insight into the religious ideas of the wishy-washy political preachers that populate the islands' religious beliefs and practices of island groups. Not to be taken seriously, a fun thing. Political politricksians' insecurity, silly inter-groups rivalry and biases of the various Caribbean island groups. Another political look comparing Garvey's time with the present day free market system. Was Garvey wrong in his skepticism of the NAACP? Was he wrong in denouncing Haile Selassie for losing the war to the Italians? Dialogue between two radicals: one is the younger pro-Malcolm X Kenworth, the other older pro-Garveyite Simnally. These guys interspersed their radical streetwise 1960-70s dialogue throughout the manuscript. Finally tired and old migrants now pining to return to their homeland. What are their chances for peaceful retirement in an island society gone mad with lawlessness and corruption. **Killer in the Mist - LL** Steve Whitman, 2015-12-22 He woke up bruised and broken, unsure how he made it to the hospital. But thanks to his longtime partner Tom Holt, Gunner Mason has lived to see another day. While facing the ordeal of their lives in the backwoods of Long Brook, Maine, the two guides were shocked to learn the true identity of the man who had killed several members of their hunting party. But now, after informing law enforcement that the perpetrator was not, in fact, the notorious serial killer Douglas Farraday, they're facing more questions than answers and the reputation of their business is on the line. In order to reclaim their public image and avoid prosecution, Tom and Gunner find themselves back in the woods, yet again pressured by county sheriff Alex Bowlin into joining a massive manhunt for the newly escaped Farraday. But while the killer is watching and waiting, even greater dangers lurk within the untamed wilderness, and the truth is much darker and more disturbing than they could ever imagine. In this action-packed sequel to *Killer in the Mist*, unexpected alliances lead to a chance for revenge, and surprises lurk around every
