Killosophy Criss Jami, 2015-01-08 Killosophy is 2 books in 1 Killing Knowledge is a book of aphorisms all created in and beyond the world of philosopher Criss Jami Loving Wisdom is a book of poetry and a lyrical experiment birthed from the universe of songwriter Criss Jami **INSPIRED REFLECTIONS ON KNOWLEDGE** FOLORUNSHO MEJABI, 2016-01-05 The range of human knowledge today is so great that we are all specialists and the distance between specializations has become so great that anyone who seeks to wander freely between them almost has to forego closeness with the people around him In the word of John Quincy Adams To furnish the means of acquiring knowledge is the greatest benefit that can be conferred upon mankind It prolongs life itself and enlarges the sphere of existence Only a blind man can easily define what light is When you do not know you are bold Ignorance is always bold knowledge hesitates And the more you know the more you feel that the ground underneath is dissolving The more you know the more you feel how ignorant you are Enjoy the compiled inspired reflections on knowledge from the masters *What's Your Zip Code Story?* CJ Gross, 2022-05-20 Shedding light on class division this book offers solutions to class bias in the workplace by analyzing real experiences social norms education wealth and more The renewed focus on class race and equality in the workplace and beyond is making an indelible mark on society This clarion call for change is sweeping inequality from every corner of the nation including law enforcement schools and businesses And within the past five years diversity and inclusion as well as unconscious bias have been the main drivers of organizational training politics and community engagement What's Your Zip Code Story helps clarify the intersection of class bias and racial disparity in the workplace and arms organizations with the knowledge to not only have productive discussions but also adopt effective solutions Gross instructs class migrants whether college students recent graduates or overlooked employees on how to climb the career lattice and transform themselves from undervalued employees to respected leaders The book tackles challenges that class migrants encounter when navigating the workplace and provides operative practices that can be utilized to hone new professional skills and drive positive change in workplace culture It is a powerful tool that will inspire marginalized employees who are hungry for personal and professional growth as well as give insight to business leaders seeking a new way to engage their teams Through the lived experiences of the author and research based strategies readers will find insights on how to increase workplace engagement and business performance Four Summits to Truce Jocelyn Agate, 2024-02-27 Four Summits to Truce is a short read about two couples dedicated friends who grew up in a very dreadful tree They blazed some hard trails trying to get away from that tree Through change and growth situations led to a crucial decision to step out of the tornado of chaos and into the world of normal The tree refuses to let them go One day one incident one choice and suddenly their life is on another course then another and another When they felt that they had finally escaped that tree a decision to go to a church led them to an alien world another course where they would be amongst new people they didn't understand and face more situations that weren't expected What

happens when two couples step out of the tornado and join the world of normal then decide to join a church We explore that here in this short story with truths woven in Join them on this journey as they evolve and try to assimilate to this alien world There is a surprising character at the end and some concluding questions for the church Don't miss Quiet Moments at the Boulders reflections meditations and some expansions on pages from Four Summits to Truce coming soon **Gaming for Growth** Morten Saxtorff, 2021-12-10 The world of esports simply does not use the potential for human development that esports gives us How can we understand the potential that esports has for psychological development What tools can we utilize to reach this potential How can we use esports as a learning journey The book you are about to read will try to answer these questions By examining purpose and motivation optimization of training self reflection how to overcome adversity and self worth this book takes a deep dive into the initial development of esports psychology as an important part of the esports world

PRICELESS THOUGHTS ON KNOWLEDGE FOLORUNSHO MEJABI, 2016-01-10 The range of human knowledge today is so great that we're all specialists and the distance between specializations has become so great that anyone who seeks to wander freely between them almost has to forego closeness with the people around him Mankind have a great aversion to intellectual labour but even supposing knowledge to be easily attainable more people would be content to be ignorant than would take even a little trouble to acquire it Samuel Johnson In the word of John Quincy Adams To furnish the means of acquiring knowledge is the greatest benefit that can be conferred upon mankind It prolongs life itself and enlarges the sphere of existence Only a blind man can easily define what light is When you do not know you are bold Ignorance is always bold knowledge hesitates And the more you know the more you feel that the ground underneath is dissolving The more you know the more you feel how ignorant you are Enjoy the compiled PRICE THOUGHTS ON KNOWLEDGE by great men

INSPIRED REFLECTIONS ON SUCCESS FOLORUNSHO MEJABI, 2015-11-14 If A is a success in life then A equals x plus y plus z Work is x y is play and z is keeping your mouth shut Albert Einstein Success is stumbling from failure to failure with no loss of enthusiasm Winston S Churchill Have no fear of perfection you'll never reach it Salvador Dalí **Spirituality and Childbirth** Susan Crowther, Jenny Hall, 2017-09-13 Highlighting aspects of birth often taken for granted ignored or left silenced this book questions the art and meaning of childbirth Addressing spirituality in and around the start of life from a variety of thought provoking perspectives it examines the apparent paradox of impersonal biomedical technocratic systems operating alongside the meaningful experiences encountered by those involved Themes covered include Notions of holism and spirituality culture religion and spirituality Childbirth significance at societal level Spiritual care in maternity care provision Birth environment mood space and place Spiritual experience of all those involved including health professionals Spiritual experience when birth is complex and challenging When birth and death are juxtaposed Although there is considerable literature on spirituality at the end of life this is the only book that draws together a global and multidisciplinary selection of academic researchers and practitioners to reflect on spirituality at the start of life Each chapter explores the

relevant theoretical background and makes links to practice using case studies from research and practice The chapters conclude by discussing how spiritual care is and should be provided in this context what practice approaches are beneficial cross cultural perspectives and future directions for research It is an important read for all those interested in childbirth maternity care social science perspectives on health and illness and spirituality *Healology* Criss Jami,2016-01-13 Healology is 2 books in 1 Healing Power is a book of aphorisms all created in and beyond the world of philosopher Criss Jami Studying Christendom is a book of poetry and a lyrical experiment birthed from the universe of songwriter Criss Jami

Bullying from Streets to Schools Page A. Smith,Wowek Sean Kearney,2017-08-03 Bullies don t discriminate They are equal opportunity abusers In Bullying from streets to schools Practical information for those who care authors Smith and Kearney guide their readers through multiple facets of this growing and pervasive problem Far beyond other books that simply explore the current research on the topic Bullying from streets to schools Practical information for those who care shapes the subject of bullying in both understandable and realistic ways In chapter after chapter the authors painstakingly direct their readers through numerous peaks and valleys of bullying situations including the who what and where of the subject Bullying from streets to schools Practical information for those who care features detailed information describing the three critical groups most affected by bullying including perpetrators victims and bystanders The authors accompany their readers through home school virtual and workplace environments and directly relate how these areas influence the potential development of both bullies and victims The realities of bullying hit home as readers also are provided with an intense glimpse into the mind of a bully through an actual interview Practical suggestions in the Facts Feelings and Facilitation sections at the end of each chapter encourage anti bullying action by both school and community leaders and a bullying hotspot map is included along with research based suggestions for avoiding confrontations Unlike other books which deal in part with the issues surrounding bullying Smith and Kearney engage readers in thoughtful and comprehensive ways that prompt action
