

### Taking relationships to new heights

Technology infrastructure

When Amazon first dramatically increased investment in new flight in 2008, it was all about the engine providing the propulsion. The AWS engine for the new work was the collaboration between our technology infrastructure and the expertise of our engineering, operations, and sales teams. Amazon's infrastructure is the backbone of our business, and we're constantly improving it. From 2008 to now, Amazon's investment in flight infrastructure has increased by more than 100 percent. And we're not done yet. We're looking for ways to improve our infrastructure and to make it even more powerful. We're looking for ways to improve our infrastructure and to make it even more powerful.
