PROLOGUE

Though I often looked for one, I finally had to admit that there could be no cure for Paris. Part of it was the war. The world had ended once already and could again at any moment. The war had come and changed us by happening when everyone said it couldn't. No one knew how many had died, but when you heard the numbers—nine million or fourteen million—you thought, *Impossible*. Paris was full of ghosts and the walking wounded. Many came back to Rouen or Oak Park, Illinois, shot through and carrying little pieces of what they'd seen behind their

Bailey,2020-01-21 When Christ was asked questions He would often refer people back to the beginning to the origin of the plan of our Heavenly Father for His creation In his commentary on the book of Genesis Dr Bailey shows how it is vital to understand God s intentions from the beginning in order to understand God s plan for mankind as well as the many spiritual truths that relate to the life of the believer today **Notjohn's Guide to E-Book Formatting** N.J. Notjohn,2017-01-01 The self publisher s bible In this clear and entertaining ten step guide now in its eighth edition a prolific American author tells

how he formats his books using free software for upload to online bookstores The secret he explains is to use the universal epub format to create a single e book file that will be accepted by every digital retailer from Amazon com through Barnes more often it doesn't because these programs litter the file with hidden formatting The result can be a disaster Instead the word processing document should be converted to clean HTML the markup language used to create a web page All e books are web pages at heart and the Kindle and other e book readers are just special purpose web browsers The conversion from document to HTML file takes seconds It can then be plugged into a simple template that Notjohn includes in this Guide and also makes available on his blog for anyone to use He also supplies a style sheet to format the book for best appearance on the Kindle Fire tablet the various Kindle apps as well as on competing tablets and e book readers If all else fails there's Plan B a stripped down template for novels and for non fiction that consists mostly of text He concludes with a chapter on how best to present your e book on the Kindle platform with hints on encrypting the book copyrighting it and pricing it for the greatest return And new this year a chapter on adapting the e book to a print edition With illustrations and screenshots Revised and updated 2017 edition
