#### **King Of The Confessors:**

**King of the Confessors** Thomas Hoving, 1982 King of the Confessors Outlet, Outlet Book Company Staff, Random House Value Publishing Staff, 1983-01-01 Glory of the Confessors Gregorius, 1988 Gregory was bishop of Tours from 573 To most modern readers he is best known for his History of the Franks a narrative of Gaul in the sixth century But during his episcopacy Gregory of Tours also composed eight books of stories about saints their cults and their miracles This volume is the first translation into English of one of those books the Glory of the Confessors which contains a series of anecdotes about the lives and cults of Christians who witnessed to their faith through their exemplary lives These anecdotes provide important historical evidence first for the ways bishops and their congregations manipulated traditions about the development of the early church and second for the contemporary functions and meanings of the cults of saints during the sixth century. The spontaneity and literary modesty of many of the anecdotes make them especially valuable for modern historians intent upon understanding the early Frankish church The Jesuits and the Thirty Years War Robert Bireley, 2003-06-26 This book brings to light the extent to which the Thirty Years War was a religious war Martha K. Hoffman, 2011-06-15 At the center of their world pt 1 Childhood Mastering the court Teachers and formal instruction Defenders of the faith pt 2 Transitions to adulthood Courtship and marriage The problem of the infantes El pr The Courtiers and the Court of Louis XIII, 1610-1643 Marc W. S. Jaffré, 2025-02-10 ncipe instruido The function of royalty Louis XIII's court has long been a fixture of popular culture thanks in part to the many movie and TV adaptations of Alexandre Dumas s novel The Three Musketeers Yet it remains misunderstood commonly mischaracterized as unimportant or wholly subservient to the whims of Cardinal Richelieu Seeking to correct this narrative Marc W S Jaffr here offers a comprehensive analysis of the court's institutional political social cultural ceremonial and financial development emphasizing its very wide range of active participants from the nobility financiers merchants to lower ranking household members The close study engages with the key issues of Louis s reign the destabilizing role of the minister favourite Cardinal Richelieu the turbulent family dynamics that led Louis to wage wars against his mother his brother and his cousins the backdrop of war both with the Huguenots and within the context of the Thirty Years War and the rise of salon culture In so doing the court is shown to be a central vibrant and misunderstood element of early modern French history and culture Courtiers artisans merchants and financiers among others are shown to have played key roles in shaping the institutional political cultural economic and military framework of the court and Louis XIII s reign more generally In challenging the top down paradigm prevalent in court studies this monograph provides crucial correctives to the existing narrative that Louis XIII s court was weak or unimportant and simultaneously revises how early modern courts and their development have been understood historiographically The Life and Times of S. Edward, King and Confessor Cecilia MacGregor, 1873 The Lives of the Cardinals Richelieu and Mazarin Armand Jean du Plessis duc de Richelieu,1854 The Greatest Works of French
