King Deng The Original Lost Boy Of Sudan:

King Deng, the Original Lost Boy of Sudan Makur Abiar, Guy-Luce Fenelon, 2010-06-25 A first person perspective of the perilous quest for freedom for the original lost boy of Sudan The author details the truth regarding the war in southern Sudan and the historical events that led to this conflict The Lost Boys of Sudan Mark Bixler, 2006 In 2000 the United States began accepting 3 800 refugees from one of Africa's longest civil wars They were just some of the thousands of young men known as Lost Boys who had been orphaned or otherwise separated from their families in the chaos of a brutal conflict that has ravaged their home country of Sudan since 1983 This book focuses on four of these refugees Theirs however is a typical story one that repeated itself wherever the Lost Boys were found across America It is a story of the countless challenges of making it in a strange new place after years on the run in Sudan or in refugee camps in Kenya and Ethiopia As we immerse ourselves in the Lost Boys daily lives we also get to know the social services professionals and volunteers celebrities community leaders and others who guided them with occasional detours toward self sufficiency Along the way the author looks closely at the ins and outs of U S refugee policy the politics of international aid the history of Sudan and the radical Islamist underpinnings of its government Dust jacket **Seed of South Sudan** Majok Marier, Estelle Ford-Williamson, 2014-05-14 One of the most detailed books on the Lost Boys of Sudan since South Sudan became the world's newest nation in 2011 this is a memoir of Majok Marier an Agar Dinka who was 7 when war came to his village in southern Sudan During a 21 year civil war 2 million lives were lost and 80 percent of the South Sudanese people were displaced Tens of thousands of boys like Majok fled from the Sudanese Army that wanted to kill them Surviving on grasses grains and help from villagers along the way Majok walked nearly a thousand miles to a refugee camp in Ethiopia Majok and 3 800 like him emigrated to the United States in 2001 while the civil war still raged His story is joined to others in this book *The Coretta Scott King Awards, 1970-2009* Henrietta M. Smith, 2009-06-29 Gathers together the best African American children's literature *Representing (Post)Human Enhancement Technologies in Twenty-First Century US Fiction* Carmen Laguarda-Bueno, 2022-10-07 This work studies three twenty first century novels by Richard Powers Dave Eggers and Don DeLillo as representative of a new trend of US fiction concerned with the topic of the technological augmentation of the human condition The different chapters provide from the double perspective of the optimistic transhumanist philosophy and the more balanced approach of critical posthumanism an overview of the narrative strategies used by the writers to explore the possibilities that biotechnology digital technologies and cryonics open up to transcend our human limitations while also warning their readers of their most nefarious consequences Ultimately the book puts forward the claim that even if the writers approach the subject from a variety of perspectives and using different narrative styles and techniques they all share a critical posthumanist fear that an unrestrained and unquestioned use of technology for enhancement purposes may bring about disembodiment and dehumanization They Poured Fire on Us From the Sky Benjamin Ajak, Benson

shall live on It is full of useful information that discusses and provides feasible solutions to the fundamental problem of the Sudan that ruptured the country from the Berlin Conference to the post independence era For centuries Sudanese and the international community have been fed with idealistic information as if Sudan started with the coming of the Arabs in the fourteenth century This persisted due to the lack of resources and formal education among African natives Khartoum s unreasonable diversion of genuine history is one among the many causes of mistrust and division in Sudan The indigenous Africans found themselves peripheral to Khartoum where economic and political power is concentrated Integration and fragmentation of Sudan An African Renaissance is a great source of knowledge for the public and students of Sudanese politics With the referendum and popular consultation approaching this book is a head start for the marginalized Black Africans to make an informed decision between oppression and liberty Examples and testimonies provided in the text are reasons for the affected regions to permanently determine their future For freedom diehards this book lays the foundation on which to celebrate the birth of Africa s newest sovereign nation along the Nile River The Publishers Weekly ,2005
