Ben-Hur Lew Wallace,2012-02 In 1880 a

retired Union General by the name of Lew Wallace completed his first historical novel while serving as governor in the Territory of New Mexico He wrote it in response to questions raised by a famous agnostic sharing a train ride from Chicago to Indianapolis At the time Wallace wasn't as knowledgeable of the facts surrounding the life of Christ as he had thought After doing extensive research he was inspired to write what has become the definitive religious epic Ben Hur A Tale of the Christ helped Wallace sort out his own beliefs about God and Christ and inspired others to do the same Today it stands as the most widely read novel of the 19th Century and one of the most popular works of all time It has never been out of print in its 130 year history and has been made into several plays and four films Ben Hur reflects the life and journey of Lew Wallace At the Battle of Shiloh through an accident he and his men arrived too late to help making the Union losses significantly higher than they would have been As a result Wallace was disgraced Judah Ben Hur through the accident of a loose roof tile loses his home and property his family is sent to prison and he is sent to the galleys Through a miracle of courage and circumstances Wallace worked his way back became a successful statesman and author and is today remembered in the Hall of Statues in Washington DC Through a similar miracle Ben Hur works his way back to save his family and get revenge over those who caused their calamity Ben Hur is a story of courage and revenge but it is also a story of redemption and salvation I believe Wallace saw his life the same Ben Hur crosses paths with Christ more than once so that in the end his hate and destructiveness are swallowed up in Christ's love and forgiveness I believe Wallace saw the same miracle in his life Ben Hur did not take off immediately but after several years of word of mouth everyone was reading it especially pastors and their congregations In 1900 two producers Klaw and Erlanger bought the rights to bring Ben Hur to the New York stage It was an amazing production that boasted five teams of horses and chariots on stage at once for the great chariot race They used treadmills for the teams with moving scenery There was also a great sea battle that was considered spectacular The success of the play inspired showmen in the fledgling industry of motion pictures to take note There is far more focus on Christ in the novel the 1900 stage play in which he is played by a beam of light and the 1925 film than in the 1959 version The book wrestles with the question of whether He will be an earthly King or a Savior of souls Ben Hur who is a Sadducee hopes he will be an earthly King and actually trains three legions of Galileans in preparation to help Him overthrow the occupying Romans But Balthazar is convinced Christ will be a Savior of souls and tries to convince Ben Hur of the same It is not until the miraculous events of the last of the eight books that he accepts that fact and accepts Christ as his Savior To date Ben Hur is still the greatest Christian novel ever written as well as one of the all time great classics Men still struggle with the question of whether Christ is an earthly King or a Savior of souls To find out we must all take similar journeys to Ben Hur and Balthazar and be hindered along the way by various Messias Not many of us will be like Balthazar and get it so quickly Most of us will be more like Ben Hur accept what life throws at us with defiance deal with it as best we can struggle realize we can't do it on our own accept God's salvation transcend our troubles through faith and be transformed into someone new

someone Christ like Ben Hur isn't just about Lew Wallace's journey from failure to freedom like Pilgrim's Progress it reflects the common journey all Christians must take **King Jesus** K. P. Walker, 1900 *King Jesus* Rowland Goodwin, 1962
