practical thing to do is attempt an escape back to the neutral zones where her crew can lick their wounds and count themselves lucky to fight another day But their stalwart captain has other plans He knows that if they let the renegades go they stand to lose their reputation as the most fearsome raider outfit in known space As the crew plans an elaborate revenge they soon realize the true stakes revolve around a fabled lost artifact one that could determine the fate of an entire star cluster

Nepenthe Rising John Triptych, 2019-02-10 In the far future two major factions are locked in a galactic cold war As tensions mount between the technocratic Union and the genome harnessing Concordance both sides anxiously watch for a chance to conquer the other The *Nepenthe* is a pirate vessel loyal to neither Led by the enigmatic Captain Dangard her rough and ready crew includes the cat like alien Commander Creull Zeno the immortal synthetic the dashing Garrett Strand and Duncan Hauk a promising young recruit Hired by a cryptic employer the crew waylays a transport ship carrying a mysterious passenger In due time this incident sparks the beginnings of an interstellar conflict that could threaten the state of known space The first of an epic new sci fi series *Nepenthe Rising* delivers what today's fans want detailed world building thrilling action and mind blowing adventure on a grand scale

X WAR: Infiltration John Triptych, 2020-02-25 A series of events begins a shocking revelation that will change everything Strange lights in the night sky the disappearance of scientists on the verge of a breakthrough a growing threat emerges from an unknown enemy and the chosen few who will decide the fate of humanity Piper never wanted this but now she's hearing voices the pleas of her dead brother telling her to run Elsner already down and out risks destruction investigating a UFO cult Perry once envisioned a doomsday emergency no one expected but actually comes true Thorne a treacherous spymaster plays both sides in his quest to survive the coming onslaught For Earth's inhabitants there remain many possibilities yet one devastating reality we are not alone

X WAR: Incursion John Triptych, Humanity has one last chance of turning back the rising chaos Task Force Zero a multinational combat unit composed of the best special operations soldiers the world has to offer Perry knows this is their one last roll of the dice for the alternative is defeat and enslavement But the war is being fought on several fronts there are those aiding the unknown enemy and others who may hold the key to mankind's destiny On the run Piper discovers a shocking secret about her family Thorne's insidious machinations begin to bear fruit as he manipulates both allies and enemies to stay alive and gain power Elsner is determined to keep his family together even as everything begins to crumble around him With the stakes higher than ever could all this be a culmination to humanity's salvation or will it be the beginning of the end

The Girl in the Darkness John Triptych, **Wild Sargasso Space** John Triptych, 2019-02-10 The Sargasso a vast unclaimed region of galactic space that somehow traps passing starships into its mysterious veil Only the bravest and most foolhardy of crews would dare venture into such a hazardous stellar graveyard to solve its deepest darkest mysteries In order to fulfill a matter of honor the *Nepenthe* ventures into this dangerous sector to transport a group of religious pilgrims in search of their promised land As they attempt to unlock the enigma of this strange and deadly area the intrepid crew stumbles upon an

amazing discovery a massive alien structure hidden in an unknown world But will this find turn out to be a wondrous opportunity or will a destructive power be unleashed upon the universe *The Dying World Omnibus* John Triptych, The first three books of this epic sci fi adventure series *Lands of Dust* *City of Delusions* *The Maker of Entropy* are now available in one volume Millions of years from now the planet is dying The oceans have dried into plains of ash Strange lethal creatures ravage the land The surviving pockets of humanity eke out a brutal existence But some humans have also evolved into Magi men who can move objects with a mere thought and Strigas women who can control others minds In this strange and exotic setting a powerful telepathic protector must accompany a mysterious boy to bring hope to a dying planet Explore *Dying World* a new dystopian science fiction series in the tradition of Jack Vance s *The Dying Earth* Gene Wolfe s *Book of the New Sun* Frank Herbert s *Dune* Edgar Rice Burroughs s *John Carter of Mars* and *Star Wars* as only John Triptych could tell it

City of Delusions John Triptych, Lethe the fabled last bastion of mankind It is said that the city was humanity s last hope a place of sanctuary for those who would brave the barren wastes to enter through its hallowed gates But the truth is far far different Lethe is a place of lies and betrayal The people who live within its ancient foundations resort to guile and hypocrisy to further their own ends The decadent aristocracy lives in fortress like mansions ignoring the suffering of the teeming masses to engage in all manner of debauchery The Magi Order is hopelessly corrupt openly defying the ancient laws that once held the brotherhood in high esteem amongst the people In this maelstrom of deceit Miri is stripped of her powers and is forced to battle in the arenas to regain her freedom Rion is indoctrinated into the noble class his scant memories are relentlessly debilitated in order to ensure his loyalty for an insidious cause Meanwhile a dashing rogue named Zeren stumbles upon a vast conspiracy that could alter the destiny of the entire city Do not miss this sequel to *Lands of Dust* a new dystopian science fiction series in the tradition of Jack Vance s *The Dying Earth* Gene Wolfe s *Book of the New Sun* Frank Herbert s *Dune* and *Star Wars* as only John Triptych could tell it **The Maker of Entropy** John Triptych, The third book in this action packed series reaches a stunning climax as the world s hidden secrets are finally revealed Miri and Zeren lead an expedition into the lost trading routes of the Unknown Regions In these strange lands they encounter disparate tribes ruled by a domineering Khanate in the midst of an internal struggle one that could decide the fate of the known world With an unseen force guiding him Rion s quest to finally unearth his true origins leads them all towards an ultimate confrontation with the Maker of Entropy a living god of immense power Do not miss this new release in the ongoing sci fi series *The Dying World* If you are a fan of planetary romance and out of this world adventure in the tradition of Edgar Rice Burroughs Jack Vance Ursula K Le Guin *Dune* and *Star Wars* then have a look at this latest release by John Triptych **Virago One** John Triptych, Virago the code name for a top secret project between ACE Corp and USAF Space Command Its goal is to deploy the first fusion powered battleship to ensure American domination of any potential conflict in space There s only one problem Virago has been stolen The world is now at the brink of war as the hijacked spacecraft forges a path of destruction across

known space The task to intercept and retake this dangerous adversary falls on corporate troubleshooter Stilicho Jones and NASA Special Agent Darian Arante who must overcome their mutual distrust and antagonism just to survive This time the stakes are higher the price of failure too catastrophic to imagine Combining hard science with heart stopping thrills this second book in the Ace of Space series will surely delight fans of Tom Clancy's *The Hunt for Red October* Craig Thomas's *Firefox* Larry Niven and Jerry Pournelle's *Footfall* and the works of Dale Brown

Lands of Dust John Triptych, Millions of years from now the planet is dying The oceans have dried into plains of ash Strange lethal creatures ravage the land The surviving pockets of humanity eke out a brutal existence But some humans have also evolved into Magi men who can move objects with a mere thought and Strigas women who can control others minds Once Gorgons could do both and were the rarest of all But a devastating war eradicated the Gorgons and their terrifying presence faded into legend Miri a powerful Striga and the chosen protector of her village by the Great Silt Sea is sworn to defend her people against attacks by raiders and monsters But when a mysterious young boy is found near the wastes her once familiar world shatters and she and her allies must journey across an unforgiving planet in order to unravel a mystery surrounding the extinction of the Gorgons one that could change everything they thought they knew

Explore *Dying World* a new dystopian science fiction series in the tradition of Jack Vance's *The Dying Earth* Gene Wolfe's *Book of the New Sun* Frank Herbert's *Dune* and *Star Wars* as only John Triptych could tell it

Wetworld John Triptych, New Bali is a swamp world located 20 light years from Earth Colonized by humans almost two hundred years before the planet is also home to an intelligent methane breathing race of amphibians The natives have a unique culture that precludes war and vengeance but recent events have begun to unravel a once fragile peace Sophie Singh heir to a vast conglomerate must decide whether to retain her family's control of Wetworld while Brother Moises Borbon a conflicted Jesuit researcher races against time to unlock the true meaning behind an alien art form that might be the key to truly understanding the natives These and many more unforgettable characters will experience critical choices ahead in the first part of this science fiction saga on colonialism war and sociopolitical upheaval
