Exploring childhood in a comparative context Mabel Ann Brown,Jon White,2013-09-05 Exploring Childhood in a Comparative Context meets an increasing need for students focusing on early childhood to be familiar with alternative practices in other countries Providing a ready made source of information about a wide range of countries including Finland the Netherlands the United States New Zealand Japan South Africa and many more the book clearly describes the way each country understands and conceptualises childhood Each chapter includes contextual information about the country an introduction to the theory that has shaped practice and describes the curriculum for pre school and primary education Including vignettes from practitioners working in each country to illustrate practice the chapters explore key themes such as Child development Parental involvement Teaching and learning Professionalism Assessment Pupil experience Accessibly written and including opportunities for reflection this timely new book will give students a valuable insight into alternative education systems that is essential if they are to become practitioners with a current and global approach

Home, School, and Community Collaboration Kathy B. Grant,Julie A. Ray,2018-02-27 Home School and Community Collaboration uses the culturally responsive family support model as a framework to prepare teachers to work effectively with children from diverse families Authors Kathy B Grant and Julie A Ray skillfully incorporate numerous real life vignettes and case studies to show readers the practical application of culturally responsive family engagement The Fourth Edition contains additional content that enhances the already relevant text including a new section titled Perspectives on Poverty acknowledging the deep levels of poverty in the United States and the impact on family school relations increased coverage of Latino Latina family connections and updated demographics focusing on the issues impacting same sex families families experiencing divorce children and family members with chronic illnesses military families and grandparents raising children With contributions from more than 22 experts in the field offering a wide range of perspectives this book will help readers understand appreciate and support diverse families This text is accompanied with FREE online resources

Speaking of Race Jennifer B. Delfino,2020-12-04 Speaking of Race explores the linguistic practices of African American children in an after school program in Washington DC Drawing on ethnographic research Jennifer B Delfino illustrates how students linguistic practices are often perceived as barriers to learning and achievement and provides an in depth look at how students challenge this perception by using language to transform the meaning of race in relation to ideas about academic success In providing insight into the institutionalized processes by which African American children are seen and heard as problem students this book helps scholars and practitioners better support marginalized pupils in their efforts to achieve racial transformation and educational justice in schools

Fun-Size Academic Writing for Serious Learning Gretchen Bernabei,Judi Reimer,2013-07-31 Sometimes a student s best teacher is another student Just as the pressure for students to perform well on state assessments

escalates ever higher and the call to raise students achievement in narrative opinion argument and informative explanatory writing grows louder Gretchen Bernabei and Judi Reimer publish Fun Size Academic Writing for Serious Learning If ever there were a book to answer every need this is it You see Gretchen and Judi have been concerned about adolescents writing for years and they have had amazing success using mentor texts by students to teach the ins and outs of writing in any genre So with this book they hand over their file drawers and provide you with 101 essays written by students with one page companion lessons that address text structure imagery dialogue rhetorical devices grammatical structures textual blends all the different tools that writers use Organized into three major sections that align with the Common Core STAAR and other major state assessments Fun Size Academic Writing delivers succinct powerhouse instruction on topics such as How to choose a structure for argument informational or narrative writing How to read a piece and extract thesis statement and main points How to layer a wide range of details to support points How to use rhetorical devices and grammatical constructions for effect How to write from the point of view of a fictional character The essays also available in reproducible form on the companion website demonstrate something striking something imitable something concrete They give students a bank of choices to call upon as they write The lessons are short practical and full of variety Collectively these essays and lessons have the potential to move the needle on American students writing achievement once and for all They show what has been done by students and they reveal to you how your own students can do it too **Academic Accountability** United States. Congress. House. Committee on Education and the Workforce. Subcommittee on Early Childhood, Youth, and Families,1999
