God Created Male Female Distinction:

Sexegesis: An Evangelical Response to Five Uneasy Pieces on Homosexuality, Sexegesis An Evangelical Response to Five Uneasy Pieces on Homosexuality is written by a collaboration of Australian biblical teachers and experienced pastors addressing the vexed issue of homosexuality Sexegesis or sexual interpretation shows that the traditional reading of Scripture as against homosexual practice but for homosexual people still makes best sense of the Bible text This is contrary to the more liberal revisionist reading of Scripture in Five Uneasy Pieces The Bible s teaching on sexuality is unambiguous as it is life affirming both for homosexuals and heterosexuals This book skillfully balances biblical clarity with pastoral sensitivity compelling all Christians to engage in genuine dialogue with it and with each other **The Pauline Doctrine of**

Male Headship James E. Bordwine,2009-05-01 I am not aware of a comprehensive volume on the Pauline Doctrine of Male Headship authored by an active pastor who must live with the practical applications of that ancient and ever valid teaching Dr Bordwine an active pastor thus serves the Christian community by providing a book which both interacts so well and widely with differing opinions and which also clearly states the meaning of the biblical text and its significance for the church of this age and the days that follow I am therefore very thankful for its publication and heartily commend it George W Knight III President The Council on Biblical Manhood and Womanhood *Human Sexuality and the Nuptial Mystery* Roy R.

Jeal,2010-03-08 This collection of essays was originally presented at the St Margaret s Consultation on Doctrine Liturgy and Preaching held at St Margaret s Anglican Church in Winnipeg Canada in 2008 They consider human sexuality and marriage from a distinctly theological rather than polemical standpoint aiming to avoid frequently polarized debates The interesting commonality indicated in the articles is that sex and marriage are not about self fulfillment but are outwardly directed aimed toward the other person toward growth maturity and deepened spirituality for the benefit of the church for productive good and for children The first section explores theological and ethical issues surrounding human sexuality and aims toward understanding the nature of relationships in these contexts The second section explores the spiritual nature of marriage and the history of thinking on marriage and family within Christian theology For those interested in pursuing truly theological engagement with marriage and sexuality this collection is required reading **Counseling Women** Kristin L.

Kellen,2022-04-01 Counseling Women by Kristin Kellen surveys many of the common struggles women experience providing a biblically grounded holistic approach to effective counseling that can be used in a variety of contexts Studies in Bible and Feminist Criticism (JPS Scholar of Distinction Series) Tikva Frymer-Kensky,2010-01-01 Each of the 30 essays here delves into a topic that gives us much food for thought the Bible as interpreted through ancient Near Eastern creation myths flood myths and goddess myths gender in the Bible the feminist approach to Jewish law comparative Jewish and Christian perspectives on the Hebrew Bible biblical perspectives on ecology creating a theology of healing feminine God talk The volume concludes with the author s own original prayers in the form of poetic meditations on pregnancy and birthing This

book is unique not only because it is the only volume in the JPS Scholar of Distinction series written by a woman but also because Frymer Kensky's personal and forthright voice resonates so clearly throughout each piece. Scholars and students of Bible Jewish studies and women's studies will surely find this to be a one of a kind collection. Broken Lights and Mended Lives William Caferro, 2011-08-31 A discussion by a broadly respected authority of the complicated relationship between theology and ordinary life in the early church. The first section of the book scrutinizes theology with a view to understanding its bearing upon Christian understandings of life: the theological stories of Irenaeus, Gregory of Nyssa and Augustine. The second section examines aspects of ordinary life and explores how Christians related them to religious ideas: the family, hospitality, citizenship, monasticism and attitudes toward the collapse of the Roman Empire in the West. This very learned piece of work, which reflects lengthy study of original texts as well as of the current and important secondary literature, is distinctive because it does not conform to the present reigning ideology. The author writes as a convinced Christian thinker. He believes that there is no such thing as a purely detached observer and that the best way of being critical and fair is to make no secret of one's presuppositions but to face them so as to be able to discount them when necessary. This quality makes the work interesting and suggestive. The book is of importance to scholars and theologians and to all concerned with the early church. **Women and Ordination in the Orthodox Church** Gabrielle Thomas, Elena Narinskaya, 2020-07-10

Contributing Authors: Fr John Behr, Dr Spyridoula Athanasopoulou, Kypriou, Dr Dionysios Skliris, Fr Andrew Louth, Dr Mary Cunningham, Met Kallistos Ware, Rev Dr Sarah Hinlicky Wilson, Dr Kyriaki Karidoyanes, FitzGerald, Dr Carrie Frederick Frost, Dr Paul Ladouceur, Luis Josu Sal's. This book, a collaborative international initiative involving academic theologians and practitioners, invites the reader into a conversation about the ordination of women in the Orthodox Church. It explores questions relating to the significance of being human, Eve's curse, sexed bodies, the place of Mary, the nature of priesthood, the role of the deacon and the task of being a priest in the twenty-first century. The reflections move across three main areas of discussion: issues of theological anthropology, particular questions pertaining to the priesthood and the diaconate, and contemporary practices. In each area, the implications for ordaining women in the Orthodox Church today are explored.

The Rational Bible: Genesis Dennis Prager, 2019-05-07 USA Today bestseller, Publishers Weekly bestseller, Wall Street Journal bestseller. Many people today think the Bible, the most influential book in world history, is not only outdated but irrelevant, irrational, and even immoral. This explanation of the Book of Genesis, the first book of the Bible, demonstrates clearly and powerfully that the opposite is true. The Bible remains profoundly relevant both to the great issues of our day and to each individual life. It is the greatest moral guide and source of wisdom ever written. Do you doubt the existence of God because you think believing in God is irrational? This book will give you many reasons to rethink your doubts. Do you think faith and science are in conflict? You won't after reading this commentary on Genesis. Do you come from a dysfunctional family? It may comfort you to know that every family discussed in Genesis was highly dysfunctional. The title of this commentary is

The Rational Bible because its approach is entirely reason based The reader is never asked to accept anything on faith alone In Dennis Prager s words If something I write is not rational I have not done my job The Rational Bible is the fruit of Dennis Prager s forty years of teaching the Bible whose Hebrew grammar and vocabulary he has mastered to people of every faith and no faith at all On virtually every page you will discover how the text relates to the contemporary world in general and to you personally His goal to change your mind and as a result to change your life **The Body God Gives** Robert S.

Smith,2025-02-19 What is the relationship between sex and gender Understand society s shifts in thinking and talking about sex and gender Discover how biological sex guides gender Recognize how the Bible speaks to gender and transgender Respond to affirming interpretations of Scripture Answer gender confusion with clarity and compassion In *The Body God Gives* A Biblical Response to Transgender Theory Robert S Smith argues that God intends a person s gender to be grounded in the reality of his or her biological sex the body God has given In making his case Smith critiques the central claim of transgender theory that the sexed body does not determine the gendered self He also evaluates contemporary changes in thought and speech about sex and gender responding to modern confusion with biblical conviction and compassion God speaks clearly both in his word and in his world God's Glory Revealed in Christ James Hamilton,Denny Burk,Brian J.

Vickers,2019-11-28 Thomas R Schreiner is one of the most significant scholars in modern Baptist academia For over three decades Schreiner has faithfully taught multiple generations in the classroom in the church and through his many published works B H Academic is honored to publish this collection of essays in honor of Thomas R Schreiner teacher pastor and friend

Feminist Theology and the Challenge of Difference Margaret D. Kamitsuka,2007-07-20 In the early years of contesting patriarchy in the academy and religious institutions feminist theology often presented itself as a unified front a sisterhood The term feminist theology however is misleading It suggests a singular feminist purpose driven by a unified female cultural identity that struggles as a cohesive whole against patriarchal dominance Upon closer inspection the voice of feminist theology is in fact a chorus of diverging perspectives each informed by a variety of individual and communal experiences and an embattled scholarly field marked by the effects of privilege and power imbalances This complexity raises an important question How can feminist theologians respect the irreducible diversity of women s experiences and unmask entrenched forms of privilege in feminist theological discourse In *Feminist Theology and the Challenge of Difference* Margaret D Kamitsuka urges the feminist theological community to examine critically its most deeply held commitments assumptions and goals especially those of feminist theologians writing from positions of privilege as white or heterosexual women Focusing on women s experience as portrayed in literature biblical narrative and ethnographic writing Kamitsuka examines the assumptions of feminist theology regarding race and sexuality She proposes theoretical tools that feminist theologians can employ to identify and hopefully avoid the imposition of racial or sexual hegemony thus providing invaluable complexity to the movement s identity and ultimately contributing to current and future Christian theological issues Blending

poststructuralist and postcolonial theoretical resources with feminist and queer concerns Feminist Theology and the Challenge of Difference makes constructive theological proposals ranging from sin to christology The text calls feminist theologians to a more rigorous self critical approach as they continue to shape the changing face of Christian theological discourse

The God of Sex Peter Jones,2006 A placard carried in the San Diego Gay Parade said it all He s your God They re your rules You go to Hell Clearly there is no longer any commonly held ultimate authority So merely quoting Bible verses at gays and other sexual sinners to prove they are immoral is equally unsuccessful if not destructive For the sake of our young people for the sake of our churches for the sake of society and our world Christians must understand the connection of spirituality and sexuality if we are to communicate relevantly to our postmodern culture Jones gives an objective honest appraisal of contemporary sexual trends and puts them up against God s clear and beautiful design for sex as a spiritual expression Features and Benefits Helps Christians break out of typical parameters to help them understand and relevantly engage the culture Nonbelievers will find this book objective and non offensive fairly representing postmodern worldviews Thorough index and bibliography makes this book a powerful resource tool

Evangelical Feminism and Biblical Truth Wayne Grudem,2012-11-30 What does the Bible really teach about the roles of men and women Bible scholar Wayne Grudem carefully draws on 27 years of biblical research as he responds to 118 arguments often levied against traditional gender roles Grudem counters egalitarian and feminist critiques with clarity compassion and precision showing God s equal value for men and women while celebrating the beauty in their differences
