Spirit Walk (Special Edition) Steve Smith, 2020-03-11. The Holy Spirit is the Hidden Mover Behind All Personal Life Transformation and Ministry Fruitfulness. Since the original publication of Spirit Walk, author Steve Smith has gone home to meet the Lord face to face. However, before that glorious day, he penned an impassioned plea to believers in the last days of his life. That plea and piece of instruction is what comprises the new foreword in this special edition of Spirit Walk. Read and be both challenged and invited to a life lived in the power of the Holy Spirit. Though we know the Bible says to walk in the Spirit, the majority of Christians are illiterate and even nervous about how to practically live in His power. The result is lives marred by continued brokenness and ministries plagued by fruitlessness. In contrast, believers from Acts understood the ancient path of the Spirit Walk. That extraordinary power was not just for them but also for us. Gleaning insights from implementation in dozens of Acts-like movements around the world, Spirit Walk lifts the hood and shows us the real secret behind apostolic disciple multiplying movements. Neil Cole, author of Organic Church, whether you need a movement of God in your personal life or in your ministry, this book takes you through the timeless principles of the Bible. The Spirit Walk path has helped thousands of ordinary people shift from a fundamental reliance upon methods and self-help to the essential reliance upon the Spirit who empowers both. Discover how to start on your lifelong journey of being filled again and again by the Holy Spirit as you abide in Christ.
