God Moment Hearing Gods Voice Sparks A Remarkable Experience:

God Moment Bette & Wayne Price, 2015-05-14 The true action picks up when a vision suddenly interrupts Wayne's quiet prayer time God's intimate involvement in this hope filled story gives evidence of His existence His willingness and power to step into real life and His love through times of uncertainty It provides a refreshing promise that turning back to God and trusting Him once more can bring lasting hope The authors transparent account full of God is sure to uplift and inspire The godly vision leads the couple to follow its meaning and direction closely through amazing turns of events Later a lengthy conversation with God provides great hope until the onslaught of an undefined illness hits with destructive force The symptoms grow severe Could a medical condition later discovered to be bipolar manic depression derail their promising Christian life Because the disorder lasts for many years their solid marital relationship begins to deteriorate and the sickness plunges Wayne deep into certain suicide Bette cries out to the Lord reacting to the threat of losing her marriage and then the imminent death of her husband Nevertheless unlikely and seemingly impossible interventions by God meet their dwindling emotional resources and strenuous efforts to survive The abandonment of Bette brings the mercy of the Lord into full view and He provides for her in miraculous ways Godly experiences abound and in the end His amazing power brings a victorious conclusion
