God Players Phil Valentine:

The God Players Phil Valentine, 2015 There is no more controversial subject than homosexuality The primary argument has been over nature vs nurture Are homosexuals born that way Dr Clark Penrose has settled that argument with his discovery of the gay gene Now the real controversy begins Do parents have the right to prevent their child from being born gay GALLANT Gay And Lesbian Liberation And National Tolerance is first out of the gate to file a lawsuit to stop Dr Penrose But they aren't the only ones The Christian Way Organization objects to the procedure on the basis that once genetic tampering is allowed it will never stop Parents will be able to order up a baby like buying a new car The fact that Dr Penrose has found the gay gene puts the founder of CWO Lucius Gaylord in a quandary He's been preaching for years that homosexuality is a sin Can being gay really be a sin if one is born that way Kurt Ford is an ambitious greenhorn attorney who's been chosen by the firm's senior partner to handle the Penrose case Trouble is Kurt Ford is gay Does he choose to do his duty as an attorney and blindly represent his client or does he have a bigger obligation to people of his own kind It all plays out in a courtroom drama with twists and turns that continue even after the verdict is read **Valentine Charms** Anne
