With God in the World Charles Henry Brent, 2015-12-05 *With God in the World* from Charles Henry Brent American Episcopal bishop who served in the Philippines and western New York 1862 1929 *With God in the World* Charles Brent, 2016-08-17 There is a serenity and insight in this little book which makes it a very real treasure to thoughtful minds It breathes a spirit of depth and intellectuality which commands the mind but at the same time is so devout and earnest that the heart is stirred There is a largeness of view about the book which is a pleasant surprise in so devoted a churchman Times Boston Such a volume as the Rev Charles H Brent's *With God in the World* has special value for that increasing multitude which longs to have someone speak intimately about the deepest and most sacred relationships with God and the most searching and individual experiences Mr Brent meditates upon rather than discusses the whole subject of prayer with a largeness and sanity of view a depth of insight and a spirit of reverence which will make his little volume a revelation to many to whom prayer has become perfunctory or who have never grasped its real significance or understood its place in the spiritual life In this little volume there is one thought among many that is full of consolation Mr Brent points out the significance of the silence of God and makes it clear that sometimes silence is an answer that infinite love often finds wiser and truer expression in silence than in speech just as the wise parent refuses to answer a question when by a little thought or a little searching the child may answer the question for itself The divine love differs from the human pre eminently in this while it is infinitely tender it is also capable of both giving and bearing pain when pain is a part of growth The Outlook Singularly straightforward manly and helpful in tone They deal with questions of living interest and abound in practical suggestions for the conduct of life The chapters are short and right to the point The great idea of Christian fellowship with God and man is worked out into a fresh and original form and brought home in a most effectual way The Living Church The subjects treated in this book are not only admirably chosen but they are arranged in a sequence which leads the mind naturally to ever higher levels of thought yet so simply are they dealt with and in such plain language that no one can fail to grasp their full meaning St Andrew's Cross The book of so successful and earnest a minister must

possess a certain interest especially when he sends it forth with the hope that it may help a few here and there to take up life's journey with steadier steps and cheerier mien We hope it will as we feel almost sure it will for there must be many who will be touched by its earnestness and respond in spirit to the hopeful manly papers which compose it The Literary World Intended to deepen the sense of religion in daily life The Spectator The Outlook Lyman Abbott, Hamilton Wright Mabie, Ernest Hamlin Abbott, Francis Rufus Bellamy, 1915 Priesthood in a New Millennium R. David Cox, 2004 This important book examines priestly identity as it has evolved within Anglicanism over the last 15 years including the ways in which the once nearly synonymous terms English and Anglican diverged over the years In the process the author delineates an intellectual and social history of modern Anglicanism *With God in the World* Charles H. Brent, 2016-07-05 Charles Darwin says somewhere that the only object in writing a book is a proof of earnestness Whether it is the only object may be a question it is certainly one object And the poorest book that ever went to press merits respect provided that its writer is sincere and speaks from conviction It is this and the sense that thought is not our own until we impart it to others that has encouraged me to write these pages originally a series of papers prepared for the Saint Andrew's Cross the organ of a Society for which I am glad to profess publicly a deep admiration and affection Often more frequently far than is noted I have borrowed the thought and language of others to express my own mind I send out this little volume with the hope that before it meets with the fate of the ephemeral literature to which it belongs it may help a few here and there to take up life's journey with steadier steps and cheerier mien *Conversations with the Most High* Jennifer Kennedy Dean, 2014-09-01 Provoking us to intimate fulfilling conversation Conversations with the Most High will help prepare the Christian believer's heart to enter the throne room of God A blessed resource each day 365 devotions steeped in Scripture engage our focus and prompt us in communication with the God who gives us His attention Peppered with quotes from notable historical pray-ers and experts on prayer the short and timely narratives make for excellent discussion starters and listening gauges for conversation with God Before Christ's sacrifice for our sins humanity had to rely solely on the high priest to go into the secret place known as the Holy of Holies and petition God on our behalf Jesus Christ's finished work on the Cross changed everything Now we too can enter the presence of the Most High God if our hearts and minds are prepared for worshipping and engaging in the life-changing conversation that He longs to have with us Who would forsake such a privilege **A Catalogue of Books Recommended by the Church Library Association, for Sunday School and Parish Libraries** Church Library Association (Cambridge, Mass.), 1909 **With God in the World** Charles Henry Brent, 1914 **Federal Council Bulletin**, 1926 Philippine Observer, 1928 The Living Church, 1908 The Chinese Recorder and Missionary Journal, 1909 **The Sewanee Review**, 1899 **Bring Us Together** Reverend Ray Canfield, 2025-06-19 When someone asks if you believe in Christian unity what would you say If that person believes like you do goes to the same church as you or defines themselves as the same religion as you then the answer might be yes But if the answer is no to any of these questions do you

still believe they are your brothers and sisters in Christ Christian unity is not a religion it is about who we believe in Jesus Christ The New Testament contains an enormous amount of scripture that pertains to how we are to live as brothers and sisters in Christ This book was written to share with the reader the importance of unity among all who profess Jesus Christ and love Him Bring Us Together An Appeal for Christian Unity 1 John 3 23 **The Christian Century** ,1925 *Outlook and Independent* ,1913 *The United States in the First World War* Anne Cipriano Venzon,2013-12-02 First Published in 1999 Includes six maps **Appleton's Annual Cyclopædia and Register of Important Events of the Year ...** ,1900
